A SUGGESTION IN HEATING
 DURING thirty years' experience in the
 manufacturing and installing of heat-
 ing systems we have noticed that in
 many cases a really good furnace does not
 give satisfaction because it is not pro-
 perly installed. In order to hold our
 position as the Leading Furnace Manu-
 facturers, it is necessary that our furnaces
 be properly set up, and we have used a
 plan which enables us to control the set-
 ting up of the majority of our systems.
 We ask all who are interested in heating
 to send us a sketch of their buildings, and
 offer to return the sketch accompanied
 by a complete plan of the heating and the
 price of the system. This ensures that
 the furnace will be set up so as to give
 the best results. Write us.
