

LIVE STOCK MARKETS. TORONTO.

Receipts of live stock at the city market, as reported by the railways, since last Friday, were 44 carloads, comprising 647 cattle, 287 hogs, 224 sheep, 48 calves and 27 horses.

There were few good cattle the bulk being of the half-finished class.

Trade, notwithstanding the light run, was dull, with prices easy all round for cattle.

Exporters—None offered, and none apparently wanted; at least that was the statement of two of the leading dealers. Space on the ocean boats seems to be very scarce at present, and likely to be for a week or ten days.

Butchers—Instead of a meat famine, there is an over supply at present, last week's heavy run of cattle being more than was needed at one time. If there should be another large supply come on the market, look out for another slump in prices. Prices were even lower to-day than at the Junction on Monday. A few very choice cattle, the pick of the best load of butchers, sold at \$5 per cwt, while the balance sold for a little over \$4 per cwt.

Choice picked lots of butchers were quoted at \$4.75 to \$5, but few got the latter price this week; loads of good, \$4.40 to \$4.65; medium, \$4 to \$4.30; common, \$3.50 to \$3.85; coppers, \$1 to \$1.50 per cwt.

Feeders and Stockers—There were no feeders or stockers offered.

Milkers and Springers—About 30 milkers and springers sold at \$30 to \$60 each.

Veal Calves—About 90 veal calves sold at \$4 to \$6.50 per cwt.

Sheep and Lambs—Sheep sold at \$4 to \$4.50; lambs at \$5.50 to \$6.75 per cwt. rams and cull sheep at \$3.50 to \$4.

Hogs—Mr. Harris reports the hog market weak at unchanged quotations. Selects, fed and watered, \$5.15; and \$4.90 to drovers at country points, f. o. b. cars.

A NEEDED REFORM.

The propaganda of law reform instituted by Mr. McKay, leader of the Opposition, and by Attorney-General Foy, are to be dealt with in the Ontario Legislature this session in a measure introduced by Mr. Foy. The outstanding features of the reform are the lessening of the number of appeals, and enlargement of the jurisdiction of the county courts. There is to be but one court of appeal for Ontario. The findings of this court it is proposed to make final, except where constitutional questions arise, questions of the construction or application of a federal statute, are involved, or in litigation between a resident of Ontario and a person residing outside of the province. It is proposed to abolish appeal to the judicial committee of the Imperial Privy Council, save in cases in which large amounts are involved or important issues of general interest are concerned. In short, the reforms aimed at are in the direction of limiting appeals, and lessening costs of litigation, which, if wisely enacted, will be generally approved. The recommendations regarding appeals to the Supreme Council, cannot, it is said, be carried out without the co-operation of the Dominion and Imperial Parliaments, but there should be no difficulty in obtaining their approval. Any measure which tends to promoting cheaper justice should be welcomed. Injustice is now suffered in many instances because of the excessive cost of justice.

The Knechtel Furniture Co. of Southampton have been made defendants in an action brought by Mark Richardson for damages for injuries sustained while in the employ of the company.

The city council of Toronto has passed a by-law reducing the number of licensed hotels in the city by 36. After the first of May there will be only 110 licensed hotels. If Rube and Mary Jane are going to the fall show this year they better order a stretcher in advance or think up some relationship or acquaintance however remote with somebody who lives in Toronto.

Joseph Lehmann, of Preston, was found on Sunday frozen to death in a farmer's field near four miles north-east of New Germany. He had gone from Preston to Guelph on the Grand Trunk intending to travel on the Guelph-Goderich line, and within two miles of his destination there to join his wife, who is attending her sick mother. He found the line from Guelph snow-blocked and started to walk the nine miles with the mercury twenty below zero and carrying a heavy grip. He wore a light overcoat, felt hat, kid gloves and no overshoes. He was within 400 yards of his wife's home and within 150 yards of another farm house when he gave up the struggle. Dr. Lackner, coroner, of Berlin, was called and decided an inquest unnecessary.

TELLS HOW TO MIX IT.

A well-known authority on Rheumatism gives the readers of a large New York daily paper the following valuable, yet simple and harmless prescription, which anyone can easily prepare at home:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and take a teaspoonful after each meal and at bedtime.

He states that the ingredients can be obtained from any good prescription pharmacy at small cost, and being of vegetable extraction, are harmless to take.

This pleasant mixture, if taken regularly for a few days, is said to overcome almost any case of Rheumatism. The pain and swelling, if any, diminishes with each dose, until permanent results are obtained, and without injuring the stomach. While there are many so-called Rheumatism remedies, patent medicines, etc., some of which do give relief, few really give permanent results, and the above will, no doubt be greatly appreciated by many sufferers here at this time.

Inquiry at the drug stores of this neighborhood elicits the information that these drugs are harmless and can be bought separately, or the druggists here will mix the prescription for our readers if asked to.

Mr. James Flett of Warton has a snow plough for roads that seems to fill all the requirements. It levels the road, digs a nice wide path for horses to travel in and banks the snow nicely on each side of the road. It has been tried frequently during the past week, and every one who has used it is praising it. Some of the roads in the vicinity, particularly the county line, are in a horrible condition, and a little work on them with a plough would make the roads passable and allow farmers to come to town. No doubt in the near future, the various townships will each have their own snow plough when roads blocked for days at a time will be a thing of the past.—Canadian.

I wish that I might talk with all sick ones about the actual cause of Stomach, Heart and Kidney ailments. To explain in person how weak Stomach nerves leads to Stomach weakness, I am sure would interest all. And it is the same with weak Hearts or weak Kidneys. This is why my prescription—Dr. Shoop's Restorative—so promptly reaches ailments of the Stomach, Heart, and Kidneys. It is wrong to drug the stomach or stimulate the Heart or Kidneys. These weak inside nerves simply need more strength. My Restorative is the only prescription made expressly for these nerves. Next to seeing you personally, will be to mail you free, my new booklet entitled, "What To Do." I will also send samples of my Restorative as well. Write for the book to-day. It will surely interest you. Address: Dr. Shoop, Box 8, Racine, Wis. Sold by J. Coates.

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments. The "Night Cure", as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, eases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well
