Germany Waking Up, Asks Information.

Federal States Showing Dissatisfaction With War Conditions.

Amsterdam, March 14.—German newspapers say that Chancellor von Bethmann-Hollweg has returned from general headquarters. His return is in connection with the illness of Admiral von Tirpitz, the Minister of Marine, which, the newspapers say, has created an unusual sensation.

The committee on foreign affairs of the German federal states is to meet to-morrow under the presidency of the Bavarian Premier. Neither the Chancellor nor Prussia is represented on this committee, which meets occasionally as a sort of control board of foreign affairs of Germany.

George Bernhard says in the Vossische Zeitung that the decision to hold a meeting of this committee is regarded as a sign that the German states are dissatisfied with the present condition of affairs in respect to the war. He hints that the committee desires a conference with the Chancellor on pending questions, including disputes with the United States. Herr Bernhard declares the nation is being kept in the dark, and takes the position that the Government's silence must be broken.

He says: "I tried pretty nearly everything, but got no permanent relief until I tried Zam-Buk. This balm relieved the pain; continued use completely and permanently cured me."

MEN COMRADES IN LIFE AND DEATH.

Inseparable Since Boys, Die 20 Seconds Apart on Same Bed

"Comrades, Comrades, Ever since we were boys; Sharing each other's sorrows, Sharing each other's joys."

Minnesota Daily News March 3.

David Thompson, 61, and A. J. Cosler, 40, Minneapolis, were comrades in life and death. Friends from boyhood, they died Thursday afternoon 20 seconds apart both bodies resting on the same death bed.

Mr. Thompson was ill at his home, 2724 1st Ave. S., Minneapolis. Mr. Cosler was visiting him.

When Mr. Cosler was seated by the bedside, recalling old times, Mr. Thompson suddenly died of age infirmities.

Comrade Grief-Stricken.

Grief-stricken, Mr. Cosler sat motionless beside the bedside. Just 20 seconds later he fell lifeless upon the bed beside Mr. Thompson's body. Death was due to heart disease.

They were school chums in Nova Scotia. When the time came for them to go out into the world to earn their living, they went out together.

Join Same Church.

Thirty-five years ago they came to Minneapolis. There they joined the same church.

David Thompson became a policeman 22 years ago. He retained the position up to the time of his last illness.

A. J. Cosler became a stonemason contractor. As the years went by the ties of friendship between the two men were even more firmly cemented.

Just as they have been united in life, so will the last services be said over them together. Plans are being made for a double funeral.

WEDDING BELLS.

Cooper—Lyons

A very pretty wedding took place at the home of the bride's father, T. R. Lyons of Waterville, Kings County on Wednesday afternoon, March 8, when his daughter, Grace Marguerite, was united in marriage to William E. Cooper of St. John, N.B. The bride was gowned in white paillette silk with ostrich feather trimming she wore the conventional veil and orange blossoms and carried a bouquet of crimson and white carnations.

At two o'clock the bride entered the room with the groom to the strains of Mendelssohn's wedding march played by Miss Alice Fair of Aylesford. They took their places under an arch of evergreen and white carnations.

The bride was attended by Miss Winnifred Manson of Waterville, as bridesmaid, who was gowned in pale blue silk and oriental lace and carried a bouquet of pink and white carnations. Little Miss Helen Cameron of Canning, who was daintily dressed in white net over satin, acted as ring-bearer.

Rev. Mr. Spencer of Waterville, performed the ceremony. Immediately after the wedding luncheon, Mr. and Mrs. Cooper left on the afternoon express, enroute for Boston, New York, etc. On their return they will reside in St. John.

The bride's going away gown was Russian green broadcloth, with hat to match.

They were the recipients of a great many presents: mahogany, linen, cut glass, silver etc., also about three hundred dollars in gold and cheques.

The house, which was filled with guests, was prettily decorated with evergreen and daffodils.

Spinney—Brown

A quiet but pretty wedding took place at Wolfville March 6th when Nellie Grace Spinney, formerly of Church Street became the bride of Henry George Brown of Greenfield. Rev. M. P. Freeman officiating.

The wedding was a very quiet one. Miss Spinney was charmingly attired in a gown of blue satin de chene over which hung a tunic of white silk lace. After the ceremony the happy couple left immediately for Greenfield where they will reside with the groom's parents Mr. and Mrs. J. H. Brown. Their many friends both in Greenfield and Wolfville wish them many years of happiness.

Canadian Casualties to Date 25,000

Ottawa, March 10.—The list of actual casualties among the Canadian forces including killed in action, died of wounds and sickness, wounded and missing, but not known to be prisoners-of-war, has been totalled up to March 1 by the casualties branch of the Militia Department, and amounts to 13,961. There has been killed in action 2,338 Canadians. Some 988 have died of wounds and 298 have succumbed to sickness, or a total of known dead of 3,264. There is besides, however, a list of missing men not known to be prisoners-of-war, of 1,012. It is practically certain that by far the greater number of these men are dead, which swells the list of Canadian dead to almost 5,000. The total number of wounded is 9,225. If prisoners-of-war and cases of sickness are all included the total number of casualties would be nearer 25,000 men.

Federal Prohibition.

OTTAWA, March 16.—Hon. C. J. Doherty, Minister of Justice will introduce on Monday an act in aid of Provincial Legislation prohibiting or restricting the sale of intoxicating liquor. The purpose of the bill is to make effective the proposal outlined in connection with the amendment to be moved by R. B. Bennett to the Stevens prohibition resolution.

It will assist a dry province in preventing the importation of liquors from non-prohibition districts.

The Federal Parliament under this proposed law does not prohibit the liquor trade nor restrict it, except in so far as supplementary legislation by the Dominion is necessary to make effective the legislation already in force in the Province.

The initiation of prohibitory legislation is left to the provinces, but if a provincial legislature enacts against the importation of liquor from non-prohibition districts, the Dominion law will support such a provision and facilitate its enforcement.

If any province legislates that the citizen must NOT have in his possession liquor for domestic use, the federal law will enable the province to take steps against the violation of the law by outsiders.

Dealers in non-prohibition provinces, who export liquor to a prohibition province, for the violation of the law in that province, will be made liable to fines of \$100 and \$200, and to imprisonment for first and second offences respectively. For subsequent offences they will be liable to imprisonment WITHOUT THE OPTION OF FINES.

It will be further provided that the prosecution may be conducted in either of the provinces concerned. Legislation of this kind is believed here to be all that need be enacted by the Dominion Parliament, the constitutional powers of the provinces in respect of prohibition being extremely wide.

Makes Astonishing Cures

Mi-o-na Tablets Cure Dyspepsia by Promptly Removing the Cause, or Money Back.

There is just one way to cure dyspepsia and stomach disorders, trivial or serious and that is to tone up or put energy into the stomach walls, so that they will be able to properly mix or churn the food.

Mi-o-na tablets quickly arouse the stomach from its inaction and in a short time it is able to do its work properly.

Harry Dodd of Bridge Street, Hastings, Ont., says: "For seven years I had suffered and spent much money doctoring, but all to no avail. I could eat but very little, as the food would ferment and sour, making gas which caused serious heart oppression; I was in constant misery, sour gas would belch from my stomach, I was languid and weak and had no ambition. I did not feel like going anywhere or seeing anyone. There was a constant dull pain in the pit of my stomach. I was unable to sleep, was nervous, restless and would awake more tired than on going to bed. I tried Mi-o-na and soon found relief, and in less than six weeks Mi-o-na had completely cured me."

I. D. Clark the druggist sells Mi-o-na tablets at 50 cents a three box under a rigid guarantee to do all that is claimed for them or money back.
