

THE ADVERTISER

KENTVILLE, JUNE 23, 1916.

THE RESULT

Election day has come and gone and brought with it many surprises. From the reports received all over the Province it is likely that the Liberals have elected 30 members and the Conservatives 12. This makes the standing of the parties about the same as in 1911 when they stood 27 to 11. In 1906 the result was 33 to 5 and in 1901, 36 to 2. So the Conservatives have been gaining ground every election and there were many reasons to believe that the Government would be defeated.

Although the votes have been counted and the Government sustained by a large majority we still hold that the voice of the people of Nova Scotia is not for the continuing in office of Mr. Murray.

Without any doubt long holding of office is detrimental to the interests of the Province. Mr. Murray himself is on record against it and from his long tenure of office and the complaints and troubles it brings him, he is an authority on that subject.

Mr. Tanner staked his party's all and himself on prohibition, good roads, etc., and has lost. Mr. Murray by his broadly proclaiming that prohibition was unworkable was able to bring to his side the full force of the immense city liquor interests, both Grit and Tory dealers alike taking part in organizing Murray's campaign. As a result of this union word was sent out to the faithful that all strong temperance men who were able speakers, must be defeated at any cost. So Tanner in Pictou, Corning in Yarmouth; Sangster in Hants, and Spidell in Kings were marked out as sacrifices to the rum hound brigade. Campbell was not feared as a temperance advocate as it was known that Mr. Wickwire could prevent him from giving a pledge to the Alliance. Reid in Hants while he could talk temperance could be depended upon to sacrifice that cause with some plausible excuse for shirking a vote at the critical moment. So the four first named went down to defeat for the cause they represented and the tentacles of the liquor interests have been fastened deep upon the control of the Murray Government.

In Kings the Conservatives fought a good fight and won a seat. Mr. Kinsman from the start proved a man of inspiration to his followers and Mr. Spidell showed that he was an exceptionally strong candidate on the platform and elsewhere. With every united effort made to defeat him he has won a signal victory in the vote he polled.

The campaign in Kings was one of the pleasantest ever experienced. In the heat of a contest things will be said on the platform and in the press which may appear too personal or blaze forth with too extravagant headlines. While the result in the Province is a sore disappointment to the Opposition workers, the Conservatives are not squealers and will accept with the best of good will the political situation as it will stand for the next five years.

LET US HONOR THE DEAD HEROES

In our list of dead will be found the following: Donald Bedford Chase, son of Mr. and Mrs. Bedford Chase of Port Williams; William Arthur Elderkin, son of Mr. and Mrs. J. A. Elderkin, Wolfville; Roy Rafuse, son of Mr. and Mrs. Fred Rafuse; Hugh Spencer, son of Mr. and Mrs. Clarence Spencer and Ralph Schofield, son of Mr. and Mrs. Henry Schofield all of Kentville.

These young men have paid a heavy penalty for their unflinching duty on behalf of the Empire. In yielding their young lives in the protection of ourselves and our country they should win a place in the hearts and memory of all our people.

The families of the deceased will have heartfelt expressions of sorrow from our readers in their hours of deep sorrow. We shall be willing to publish suitable obituary notices of these young men if their relatives will furnish us with the necessary information.

THE HONOR ROLL

It is with feelings of deep sorrow that we record a long list of dead and wounded in this issue. The war is coming directly home to us now as it is robbing us of some of the noblest and best of our boys who have donned the khaki. Our readers will grieve for the relatives of those who are killed and hope for the speedy recovery of the wounded and ill.

An energetic recruiting campaign for the Royal Navy will shortly be inaugurated in Canada. Every Province will be canvassed. Imperial agents have already arrived in this country to prosecute the work with vigor. The work will be directed by Capt. the Hon. Rupert Guinness, M.P., R.N. V.R. and his wife, Lady Gwendolen Guinness. Captain Guinness has been given authority to recruit a certain number of Canadians for the Navy, and to that end went to Ottawa first to take advantage of the co-operation of the Premier and the Government.

Middleton Railway Station Is Burned

Middleton, June 21—The Dominion Atlantic Railway station here was burned down this morning. The flames broke out very suddenly and it was all Henry Jacques, the station master and his family, who resided in the building, could do to escape. They got away without saving anything. Two men who were asleep in the rest room narrowly escaped. A locomotive was standing with steam up, so that it was possible to haul away the rolling stock, which otherwise would have been destroyed.

CORRESPONDENCE

To the Editor of The Advertiser

Dear Sir:—This is the time of year that the subsidiary companies of the United Fruit Co's hold their annual meeting and as the Aylesford Fruit Co., held its meeting on Saturday June 10th, I thought it might be of interest to our brother co-operators to know the action taken at that meeting. The meeting was a large and representative one. After the regular business had been disposed of and officers for the ensuing year elected, there was a general discussion as to the members opinions of the manner in which the business of the past year had been handled. There was much adverse criticism expressed which finally led to being moved and seconded that we withdraw from the United Fruit Company. This drew forth more criticism, many members expressing themselves as being very much opposed to the present management believing that it was ignorance of the apple business that had caused such low prices being realized on many varieties and thinking that a change was absolutely necessary; indeed some went so far as to say that unless a change of that kind was made they would withdraw personally from the company. So strong was the feeling shown that it was thought best to defer the vote on the motion until after the United Fruit Co. had held its annual meeting, so a motion was moved in amendment that we defer the vote on the above mentioned motion until the second Saturday in August in order to give the United Fruit Co. time to establish their management and policy for the ensuing year so that we could vote more intelligently on the question. Indeed it was freely expressed that unless changes were made in management, salaries reduced, and policy improved, the company would either withdraw as a whole or loose many of its members. A MEMBER.

St. Paul's Presbyterian Church  
Capt. A. J. Macdonald of the 185th will preach in the morning, and Capt. H. A. Kent of the 219th at the evening service. Special music will be given Lieut. Manning will sing in the evening, as will others from Aldershot. Arrangements are being made to hold a "Highland" Communion on July 2nd at the evening service. The regular quarterly communion will be dispensed at the morning service on the same day.

ORTHCOMING ATTRACTIONS AT THE NICKLET THEATRE

For Week Beginning June 26th

On Monday next a special attraction in the person of Miss Madge Locke will appear at the popular Nicklet Theatre. Miss Locke has just arrived from the Old Country where she has appeared at the great music halls of London including the Hippodrome, Coliseum, Palace, etc. Miss Locke is a very brilliant vocalist and specialty dancer while she also relates stories of the truest order.

Another great attraction beginning Monday is Strause and Becker, musical entertainers, Mr. Strause having the unique distinction of being the world's greatest cornet player.

Don't fail to see this week's bill which closes on Saturday—The Nelson Duo and the great Musical Marquis together with an excellent programme of pictures make up a show that's hard to beat.

Beginning tonight two complete shows will be run each evening, 7.30 to 9 and 9 to 10.30—the vaudeville appearing at each performance.
