NEW BANK

In our advertising columns will be found the prospectus of the United Empire Bank of Canada, with head office in Toronto. It is being organized by Mr. George P. Reid, who will be the general manager, and who until recently occupied the same position in connection with the Standard Bank. Mr. Reid's standing as a bank manager in Toronto and all over Canada is of the highest class, and everything he has done in this line up to the present has been of a successful character, not only for those who have business with him as clients of the bank, but also successful for the interests of the shareholders of the bank with which he has been identified.

An inspection of the bank returns shows that the business of the Standard was more than doubled during the time that Mr. Reid was general manager, and he left it with its stock quoted at 237.

The United Empire Bank, under the additional legislation that it proposes to secure at the forthcoming session of parliament, will start with an authorized capital of five millions, two millions of which is now offered to the public at par. This, to our mind, is a great improvement on offering stock at a premium, especially in a new bank where there is nothing to represent that premium. Mr. Reid has been able to associate with himself in the promotion of this bank a number of gentlemen prominent in Canada and in the old country, men whose names will at once give stability to the concern and insure public confidence.

The stock books are now open at the address stated in the prospectus.

PROSPECTUS

OF

The Veteran's Sure Cure Medicine Company, Limited

(Incorporated under the Ontario Companies Act)

Head Office - - - Chatham, Ont.

CAPITAL - - - \$50,000.00

Divided into 1,000 shares of \$50.00 each.

A limited number of shares is now offered to the public at par.

The following gentlemen are the Directors of the Company:

GEO. W. SULMAN, Esq., Wholesale and Retail dealer in Wall Paper and Fancy Goods, Chatham.
GEO. A. WITHERSPOON, Esq., Wholesale and Retail Druggist, Chatham.
CHARLES H. GUNN, Esq., of C. H. Gunn & Co., Wholesale and Retail Druggists, Chatham.
T. J. DOYLE, Esq., Secretary Treasurer of the Blonde Lumber & Manufacturing Co., Limited, Chatham.
R. L. BRACKIN, Esq., Barrister at Law, Chatham.

The Officers of the Company are:

PRESIDENT - - - **G. W. SULMAN**
VICE-PRESIDENT - - - **O. H. GUNN**
SECRETARY-TREASURER - - - **R. L. BRACKIN**
MANAGER - - - **W. K. MERRIFIELD**
MR. R. L. BRACKIN is the Solicitor for the Company

Those who have for many years known the wonderful merits of the Veteran's Sure Cure, which has been manufactured and sold by its discoverer Mr. W. K. Merrifield will be glad to learn that at last Mr. Merrifield has consented to sell the secret of its manufacture to a Company. The Company is a strong one, comprising as it does, some of the ablest and most successful business men in the City of Chatham, men who are known far and wide for their ability and sound integrity.

Mr. Merrifield who retains a large interest in the Company will personally superintend the manufacture of the medicine with which his name has been connected for so many years.

It is the intention of the Company to spend many thousands of dollars in making known to the world, the virtues of the Veteran's Sure Cure as an unfailing remedy for all forms of Rheumatism, Dyspepsia, Kidney, Blood and Nerve diseases.

The late Senator Fulford is said to have paid \$100.00 for the formula for Pink Pills. He died worth five millions. There is no reason why the Veteran's Sure Cure should not achieve just as wonderful results. Some of the most prominent men in this city have for years used the Veteran's Sure Cure and will gladly testify to its miraculous powers. Men like School Trustee W. M. Drader, John Croydon, of the Board of Trade, Detroit, Kenneth Campbell, Chatham, and Frank Fields of the Canada Flour Mills Company, have given signed statements as to what this medicine has done for them. Hundreds in this vicinity, and in fact all over this country keep only the Veteran's Sure Cure in their homes. Thousands of bottles were sold last year but the Company proposes to increase the output a hundred fold.

The premises owned by W. D. Sheldon on Sixth street have been leased and will be fitted up especially for the Company.

It is not necessary to sell a large quantity of stock in order to pay the expenses of establishing a business as is the case with most new Companies, since this Company simply takes over an old established and successful business. The present sale of the Company's product is more than sufficient to meet all expenses, but the Directors deem it advisable to put a limited number of shares on the market in order that those seeking an investment which is certain to yield a big percentage, may have an opportunity of subscribing.

The terms of subscription will be \$10.00 per share on allotment, \$10.00 per share on the first day of the month immediately following the date of allotment, and \$10.00 per share every month thereafter on the first day of the month until the whole amount is paid.

Applications for stock should be made to the Secretary-Treasurer,

R. L. BRACKIN,

Office over Canadian Bank of Commerce, King and Sixth Streets, Chatham, Ont.

GRAND CONCERT

There will be a grand musical and dramatic entertainment given in honor of St. Cecilia in St. Joseph's Hall, Cross street, on Wednesday evening, Nov. 22. A most interesting drama, "My Aunt's Heiress," will be played by the members of the Junior Ladies' Aid Society, the principal parts of which are to be taken by Misses Blanche Kelly, Gertrude Prudhomme, Pearl Taylor and Gertrude Dezella. The dramatic talent of these young ladies needs no commendation. Miss Mary Gavin, a soprano of rare excellence, will render some old time melodies, at which she excels. This young artist is a member of the "Troy Choral Club" and of the "Musical Art Society" of Troy, N. Y. Mr. John Charlton, one of Detroit's favorite baritone, and Mr. Joe Leech, choir director in St. Mary's church, London, will also sing. Harold McDonald, of this city, will also sing.

The Good Workmanship Points in Our Coats

This Season We Are Justly Proud Of

POINT NO. 1—The collar sets snug and can never sag away from the neck—due to its hand tailoring

POINT NO. 2—The shoulders are shapely because modelled by hand and keep the entire coat properly balanced.

POINT NO. 3—A full broad chested front, because of liberal allowance of cloth in contrast to the narrow pinched effect in ordinary ready-to-wear coats.

POINT NO. 4—Smooth setting coat fronts, accomplished by hand working and moulding the internal parts to conform to the lines of the body.
