The North Land is of steel construction and is over 300 feet in length and 47 feet in breadth, with speed of about 16 knots per hour, and is a very large cargo carrier. When you feel like treating yourself to just a few pairs of shoes as money can buy, you would like to show your new Kangaroo leather model in Hart's.

You'll want a pair the minute you see them for there's never been a shoe like it with such a soft, pliable fit and finish. It's decidedly dressy and perfectly comfortable.

Hockey Notes.

A large crowd witnessed the game of hockey played by the Acadia and Mt. Allison teams in E. Angeline rink on Thursday evening of last week. The teams were very evenly matched and the play throughout was close. In the first period there was no score. The Mt. Allison boys had a little the better of the local team in the second period and succeeded in scoring two goals. Acadia tried hard to even the score in the final period but failed to do so, neither side scoring. The final score was 2-0 in favor of the visitors. The teams lined up as follows: Mt. Allison Acadia. Wynn Goal Steves. Taylor Right Defence Hurton. Stick Left Defence Bardsley. Riggitt Centre Hirtle. Pickard Left Wing Maron. Fisher Right Wing Rogers. The referee, G. B. Smith, of Windsor, who was most impartial, gave one of the finest exhibitions of refereeing seen in the present season.

After the game the Acadia hockey team, in true intercollegiate style, entertained their opponents to a banquet at the Acadia Villa Hotel, which was followed by addresses from different members of both teams.

The winning of this game places Mt. A. at the head of the Western League in Maritime intercollegiate hockey, and it now remains for her to defeat the winners of the Eastern League, in order to claim the title to the Maritime Intercollegiate Championship for this year. The big play off will take place in Oxford at the beginning of next month.

The Acadia Collegiate Academy hockey team went on a short trip last week. On Thursday evening they played in Truro and were defeated by a score of 3-1. On Friday they played in Windsor and defeated the Kings Collegiate team by a score of 3-1.

The Kings Collegiate hockey team came up to Wolfville on Wednesday and played a game with the Academy team. The game was very one-sided and resulted in a win for the Acadia, the score being 8-0.
