Ideas, says Voltaire, are like beards men get them when they have grown up, women never have any.

liane making at present takes th third rank among the manufacturing interests of the Unite States.

A Frenchman said of Shakesp are "Ven you find anyzing you no un ler stan', it is al vays somezing fine."

"A ady was lately hugged to death in Minnesota,"—another illustration of the "power of the press."

There are six millions of real estate owners in the United States, the fa mers being four millions of the nov 2

The last question for discussion before a Christian Association of a western town was "How to serve God and keep a hotel."

A Richmond merchant, on being nsked how large an advertisement to wanted in the Enquirer, replied that they might "but in about three

" Paddiy, where's the whiskey I gave you to clean the windows with: give you to clean the windows with .
"Och, master, I just drank it; and I thought if I breathed on the glass it would be all the same."

"How well he plays for one so roung," said Mrs. Partington, as Partington, as the organ-boy performed with a mon-Key at nor door, " and how much his little brother looks like him to be For Horses, Cattle, Shoop and Pigs.

Under the head of "How we assist the Devil," a religious paper says:
"We construe millions of gallons of business of gallons of distilled spirit yearly." The editor distilled spirit yearly." The editor distilled spirit yearly." The editor pound package. Sold by Under the head of " How we assist distable making money.

A country edito,'s sole editorial in one week's issue was that "If anythe heart, it is to talk velvet to a pair of sky-colored eyes, by moonlight, in a chverfield."

Some in enins Yank has invented a process by which implessing are can be made out a common New Orleans molasses, flavering it by steaming made-word. The most thing we are booking for is a process whereby they will make honey from jod-liver oil. flavoring it with bees wax.

A country editor thus courageously dashes the hopes of those patrons who believed that they could control his course by any threat of with-drawal of patronage!

Texas, who sat listening to the stories Style of to of a Louisianian, in regard to the low prices. m reveilors growth of sugar-cane on als plantation, near New Orleans, thally said, "That ain't nothing. I've seen cane in New England more'n a mile long!" "What kind of cane was it?" was the general inquiry. "A hurricane!" answered the trium

"Our major," says an old American soldier, "had very long feet, and also a horse that threw, every one but the major. One evening the major's nervand was out on the parade ground with the horse, and, as usual, get thrown off, when one of the boys spoke up, and said, "I know why the horsed boyt throwest boytes by the 23rd int. at 11 celock. A. M., when a full attendance is requested. horse don't throw the major ! . Why? was asked by a dozen or more. Well, you see, the major's got such long feet that the lorse thinks he is in shafts.'

A Colorado saloon keeper said of rough crowd:-"I couldn't get

A Colorallo saloon keeper said of a rough crowd;—"I couldn't get their whiskey strong enough for them, so, after trying every way. I at last mayle a mixture of poison-bak and butterout. That fetched them, I called it the sheep-herders' delight, and butterout. That fetched them. I called it the sheep-herders' delight, and it was a popular drink. The first pike I tried it on yelled with delight; the next one took two drinks and turned a Jouble some-sault in the road before the house. A pedlar came along, and, after he took several drinks of my sheep-herders' delight, he went off and stole his own pack, and lid it in the woods."

Among all the touching incidents connected with the calamity at Chicago, not one exceeds in sadness that which was related by the Rev. Dr. Phompson, who was in attendance upon the General Convention of the Episcopal Church at Baltimore. On the morning after the fire Dr. Thompson arose and asked the Convention to excuse his further presence at its essions. Duty called him to Chicago. Not only his own church and parsonage in that Sity, but the residence of every member of his partish had been consumed by fire. History affords no other instance of a church and every member of it having been rendered from seed Plate Largings, and every letter and line is perfectly most at larges of the Domision.

Also possible some sault in the calamity at Chicago. Not only his own church and parsonage in that Sity, but the residence of every member of its partish had been consumed by fire. History affords no other instance of a church and every member of it having been rendered from Seed Plate Largings, and every letter and line is perfectly and the called solutions and long the proposed Canada Facility of the consumed by fire. History affords no other instance of a church and every member of it having been rendered the many changes and the fire provisions of the last section of the keal steven on the large way to the bounding and altered the fore the fore the large having the hadron of the large had been co

At a so-called spiritual sitting in Hartford recently, there was present a woman who mourned the loss of her consort, and, as the manifesta-tion began to appeas the spirit of the departed Benedick entered upon the scene. Of course the wallow was now eager to engage in conversation—the the absent one, and the following dialogue ensued:
