> CONSUMPTION CURED. An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Deery as it is represented to be. Too served for them but the trouble

Mr. Masson, M. P., interviewed the BEST ON EARTH Minister of Customs on the 12th of Chemica l and Mining Company, of Owen Sound, with a view to securing a rebate on certain machinery the company is importing from England for the purpose of manufacturing Portland cement. A deposit of clay and whiting has been found at Shallow Lake, Owen Sound, and it has been tested in England, France and Germany and found to produce a cement equal to the best Portland cement. They propose to put in a plant of about \$60,000, comprising five cylinders, one of which is now being imported. Hon Mr. Bowell expressed his delight at hearing of this latest instance of Cnadian enterprise and promised to lay
