THE Greatest of Tonics
PSYCHINE
 (Pronounced Si-KEEN)
FOR ALL THROAT AND LUNG TROUBLES

TWENTY-FIVE YEARS' SUCCESSFUL RECORD

MONEY can buy advertising space, but it can't buy a quarter century's successful record of wonderful and almost miraculous cures of the most difficult and intricate cases of throat, lung and stomach troubles. Such is Psychine's record. Thousands of cases given up by leading doctors as hopeless and incurable have been quickly and permanently cured by Psychine. It is an infallible remedy for coughs, colds, bronchitis, pneumonia, consumption, indigestion, loss of appetite and all wasting diseases.

"My son had a terrible cough and was wasted to a shadow. Doctors said he could not live. He used Psychine, it cured him."—Mrs. J. Bangor, Brockville.
 "After taking \$5.00 worth of Psychine my lungs are well and life is again worth living."—Mrs. I. Richards, Marlboro, N.B.
 "My lungs are now sound as a bell after using Psychine."—H. Robbins, Bridgeport, Ont.
 "Psychine saved my life."—A. Walden, Cornwall St., Toronto.

TENACIOUS FORM OF SYSTEMATIC CATARRH.
 Not an easy thing to cure, and a remedy that makes good deserves the credit. Catarrh cured Chas. H. Webb of Woodstock, N. B. who writes: "For a number of years I was troubled with systematic catarrh. It was a very tenacious form of the disease and nothing helped. I used Catarrh and got relief. To build up my system I used Ferrozone. This combination can't be beaten. They cured me." Your case may be chronic but Catarrh will drive out catarrh and keep it out. Two sizes, 25c and \$1.00 at all dealers, sold under guarantee of satisfaction.

"When I landed in Chicago, said the self made man. I didn't have a cent in my pocket."
 Huh, rejoined the ordinary person, when I landed in Chicago I didn't even have a pocket.
 Why, how's that? queried the party of the prelude.
 "I was born here," explained the O. P.

 He—"What did your father say when you informed him that I was going to ask you for your hand in marriage to-night?"
 She—"Oh, he didn't say no."
 He—"He didn't."
 She—"No; but he asked marriage where his heavy-soled shoes were."

THE TREMBLE OF OLD AGE.
 With the advance of years the vital functions of the body slow down. In consequence the organs of secretion suffer, the action of the bowels are lessened and there is no longer healthy circulation. The brain is congested with blood, giddiness, trembling and cold extremities are common. No assistance is so potent as Dr. Hamilton's Pills. By their direct action on the stomach, liver and kidneys they cause an immediate change. Mild, free from gripe, strengthening and cleansing the whole system, no medicine is so valuable in old age as Dr. Hamilton's Pills of Man-drake and Butternut. Try these Pills, 25c per box at all dealers.

The Comedian—"But with her past she certainly ought to be able to get on the stage."
 The Sobrette—"I didn't know about that. The quality of her past may be all right for stage purposes, but think of the enormous quantity."

INVALUABLE FOR NURSING MOTHERS.
 With nursing comes the unceasing strain on the mother's vitality. The blood is weakened. Nerves are irritable through loss of sleep. Anxiety and care break down even the strongest. Experience teaches that nothing is more helpful than Ferrozone. What an appetite it brings! No blood-former or nerve tonic more potent, no medicine known that so steadily brings back the health, vigor, and spirit that mothers require. It's because Ferrozone nourishes, because it supplies the materials for rebuilding that it does such permanent good.

ANNUAL MEETING ST. JAMES' CHURCH.

Encouraging Reports Submitted Showing Successful Year.

The annual meeting of St. James' (Presbyterian) church, Newcastle, was held Wednesday evening 23rd inst. There was a large attendance and harmony and enthusiasm marked the meeting.
 Proceedings were opened with devotional exercises, led by the Rev. J. M. McLean, of Chatham, Inter-Moderator. Mr. John Williamson was elected chairman, and Mr. W. J. Sutherland, secretary.
 Mr. Williamson addressed the meeting, reviewing the financial report for the year ended 31st December, 1906, and referring to other matters of interest to the church. The board of Trustees for 1907 was elected as follows:—
 Geo. Brown O. Nicholson
 Geo. Stables John Williamson
 W. J. Sutherland J. B. Robertson
 A. E. Shaw W. A. McMaster
 Chas. P. Park J. H. Phinney
 J. M. Troy & D. Coole.
 Votes of thanks were cordially tendered to Messrs. Wm. Ferguson and Geo. Stables, for their excellent services last year as financial secretary and treasurer respectively. Messrs. Ferguson and Stables made suitable replies, and the meeting then adjourned.

From the annual report we take the following particulars:
 During the year seven were removed from the membership of the church,—five by death and two by certificate, and three were added on profession of faith, leaving the total membership of the church just less than at the close of 1905.
 The treasurer's report showed:

RECEIPTS.	
Contrib. by envelope	\$ 1060.88
Plate collections	206.80
Pew rents	184.35
Special collections and other receipts	672.34
	\$ 2224.37
EXPENDITURES.	
From 1905	197.75
In 1906	1732.00
Balance on hand	294.62
	\$ 2224.37

The receipts showed an increase of \$281.11 over 1905.
 The net surplus, on Dec. 31st, 1906, was \$329.62, a great improvement on the report for 1905, which showed a net deficit of \$112.29.
 The Sabbath School, Young People's Guild, Home and Foreign Missionary Societies are all in good condition.
 Considering that the church has had no settled pastor for six months, the showing of the annual report is remarkably good.

PROVINCIAL PROHIBITION WANTED

New Brunswick Temperance Federation to meet the Government early next Month.

Local Branches Rapidly Increasing in Number.

The executive of the New Brunswick Temperance Federation have approached the government in reference to the action taken at their recent annual meeting in regard to prohibition. The temperance people have been informed that the government will listen to their case at a meeting to be held during the first week in February.

The executive will wait on the members of the government in accordance with the decision reached at the last meeting of that body. It was then decided that the government be petitioned to pass a provincial prohibitory law at the next session of the Legislature, which will be held next month. The Federation is desirous of having a law similar to that now in force in Prince Edward Island, and will submit this act to the government. They want prohibition pure and simple and will do all they can to urge the government to make such a law. Until this subject comes up at the next meeting of the Legislature there are matters pertaining to the liquor traffic in St. John toward which the temperance body is directing attention. It is charged by the N. B. T. F. that the amendment made at the last session regarding the sending of liquor into Scott Act counties is being openly violated, while in other respects those having the handling of the traffic in St. John in their charge are negligent in their duty. At the end of December last, there were County branches of the N. B. T. F. in St. John, York and Restigouche. Three more have been organized, this month, in Kings, Charlotte and Kent.
