Mr. Francis' road grader passed west on Friday. The heavy frost thoroughly equipped for a good time at fishing passed en route for White Whale Lake, and several other spots, and they are anticipated to pass along.

The Kotehereski Brothers are starting on a threshing tour with their new up-to-date outfit, and they are anticipated a good season, and a return in the fall to the frame house they are building on the northeast quarter section of 16. Work on the G.T.P. is proceeding south of Manley and is being pushed with unusual vigor and frequent violent explosions indicate that roots, rocks, or other obstructions are being removed by dynamite.

Edison. A heavy thunderstorm passed over the district this evening and did considerable damage on the section where the Clyde post office stands, but otherwise only fell a very heavy rain. That section was badly haled by the heavy rain, and now the grain
