

C. M. B. C.

At three o'clock to-morrow afternoon in the Synod Hall Rev. J. Bowen will deliver a lecture for the Cathedral Men's Bible Class. Mr. Bowen, who is Secretary for the Canadian Bible Society, travelled in the Yukon for several years. As the third annual Conversazione will be held next Wednesday all the members are requested to be present on this occasion. The opening service of the Harbor Mission boat will be held on Sunday, May 1st, and the Class is anxious to close the indoor season's work. The boat's crew visited 1,000 schooners last year and distributed tracts amongst the crews. The annual entertainment of the Band of Hope will take place in the Synod Hall on Monday night. This is a great occasion for the little ones.

Should Be Removed.

There is a wire fence on the Parade Ground which, like the foreleg of a dog, is neither up nor down. It is a source of great danger to pedestrians who have to pass that way. A lady who was crossing there a few evenings ago tripped in a snake heap of the wire and was considerably shaken. Who owns this ground? If the public own it, why should it be fenced?

Guards' Sociable.

We would again remind our readers of the Guards sociable, which has been advertised to take place in the College Hall next Thursday night. The sociable will commence with a concert at 8.15 and will include four numbers by the brigade band, whilst several of our most prominent artists will also take part. Tickets are now on sale and can be obtained from any member of the brigade, the admission being 30 cents.

Another Valuable Find.

Yesterday in answer to a little ad. placed in the columns of the Telegram a valuable stick pin set with diamonds and pearls was restored to its owner, a young lady, who was delighted to receive it. It was lost Thursday night, and the first paper the finder started to look for the ad. relating to it was the Telegram, the popular advertising medium. She felt as happy in restoring the trinket as the owner felt in receiving it. Ads. in The People's Paper encourage this laudable sentiment of pleasure in doing good to others and engenders as a result a spirit of honesty. Almost every day this paper is helping in restoring missing articles to their owners.

Concert Repeated.

The Choral Society repeated their concert at the Methodist College Hall last night. There was a very small attendance. The programme of the first night was repeated. The Society will come before the public again by and by with something new, and they hope to get a larger audience. Messrs. Hutton and Mawer have undertaken to raise the standard of the concerts in the city.

Backache Suffering

A wonderful medicine is this man's description of **DR. CHASE'S KIDNEY-LIVER PILLS.**
"Mr. Fred. Gunmer, Lillies, Ont., writes: 'I can honestly say that Dr. Chase's Kidney-Liver Pills are a wonderful medicine. For six weeks last fall I could scarcely walk around for pains in the back and legs, and was almost completely unfit for work. Though I tried several medicines I got no better. I saw Dr. Chase's Kidney-Liver Pills advertised and bought five boxes. After I had used three boxes, I was greatly improved and by the time I had them all taken felt as well as I ever did. I would advise anyone suffering from kidney disease to use Dr. Chase's Kidney-Liver Pills.'
"We have also used Dr. Chase's Syrup of Linseed and Turpentine for bad colds and sore throat and would not be without these medicines for anything."

Patriotic Concert.

The Feild-Spencer Association will give a Patriotic Concert in the Methodist College Hall to-night beginning at 8.30. Quite an array of the best local talent will take part. A varied and enjoyable programme has been prepared, and those who attend will be regaled with a veritable "feast of music." A very interesting feature will be a patriotic address by His Excellency Sir Ralph Williams, who kindly gives his patronage to the concert. Another feature which must enhance the value of the entertainment will be the presentation of a scene "A Midsummer Night's Dream." The programme appears elsewhere in the columns of the Telegram, and we bespeak for the management of the affair a large audience.

Originated Gift

Of Oyster With Every Drink, and Made a Fortune.
Louisville, Ky., April 18.—Larry Gatto, who originated the gift of an oyster with every drink, and made a fortune in his local saloon as a result, died last night of heart disease. Gatto started as a bootblack. He would not allow one man to be introduced to another in his saloon, and would not allow treating, and would not sell to a man who was known to be intoxicated. He was half owner of the Louisville baseball club when it won the pennant in 1890.
