Stained with Cabot's Shingle Stains

Twenty-five Years of Proof

"I built a house 25 years ago and the same
shingles on to-day. Rebuilt another five
years ago, and in each case Cabot's Creosote
Stain in good shape. Candidly, I'm afraid
to build without using it."

EDWIN F. GARMAN, Bellefonte, Pa.

Cabot's Creosote Stains

saved him the expense of re-shingling and re-staining. They preserve the wood and lastingly beautify it. You protect yourself from tawdry, fading colors and rotting shingles by being sure that Cabot's are used.
