May 4th. is the Birthday OF AN INSTITUTION—YOUR OWN WALT MASON.

May 4th is the birthday of Walt Mason. He will then be 56 years old. William Allen White, long ago referred to him as "The Poet Laureate of the American Democracy." Never more was he exactly this, than now.

For 10 years dear old Walt has been working for my newspaper syndicate and thru it, your paper has been able to cheer and bless thousands upon thousands. There is not another man in all America that is more sincerely loved by the masses. He has always been a lover of the plain people—the many. He has always hated false things and false people. His rhymes have been more than rhymes. They have been the philosophy of America.

During the past 10 years Walt Mason has written approximately 4,000 rhymes and they have been read daily by an audience of approximately 10,000,000 people each working day. They now appear in around 200 newspapers daily from Boston to San Francisco and from Winnipeg to New Orleans. No poet has ever been able to boast a record like this. Even Walt doesn't boast it. I'd bet it for him. It is a record, however, that I dare say will never be beaten.

In all these years Walt has worked as regularly and as faithfully as a clock. Always cheerful. Always lovable. Always generous and always fine. He has never been a day late with his poems in all this time. Walt has always been a worker, even before fame came around to shake hands with

weekly called the "Hornet" in St. Louis, and I sent some stuff to it; the "Hornet" printed it, and the editor wrote to me and asked me to call. He offered me five dollars a week to go to work in the office, writing gems of thought, reading proofs, sweeping floors, and otherwise making myself useful. I took the job and remained with the "Hornet" until it went broke. Not being able to get another job in St. Louis, I went to Kansas and worked around the state for three years as a hired man. Disgusted with that sort of work, and being ambitious to get into the newspaper business, I managed to get a job with the "Leavenworth Times." Later I became a reporter in the "Atchison Globe," and there learned a great deal that was useful to me. From that time forward I was chasing myself over the country, and was connected with newspapers in a dozen cities, but always had the idea that the next town would be a little better, and kept moving around. I was mixing up farming with newspaper work in Nebraska for a good many years and making a failure of both. It took me a good while to discover that pigs and poetry won't mix. When I did find it out I came to Kansas and went to work for William Allen White, writing stuff for the editorial page of the Emporia "Gazette." The "Gazette" always printed on its first page an item of local news with a border around it, called a star head. One day the city editor was shy of the necessary item, and asked me to write something to fill that space. I wrote a little prose rhyme, advising people to go to church next day, which was Sunday. The prose rhyme attracted some attention, and on Monday I wrote another one, and a third on Tuesday, and so on, and the star-head rhyme became a feature of the "Gazette." Thus originated the prose poem.

Had No Appetite Could Not Work.

THEN MME. LAVOIE USED DODD'S KIDNEY PILLS.

Now She Says She is in Perfect Health, and is Recommending Dodd's Kidney Pills to All Who Suffer From Kidney Troubles. Vauban, Que., May 3rd.—(Special).—"I know that Dodd's Kidney Pills are good." So says Mme. Xavier Lavoie, a well-known and highly-respected resident of this place. And Mme. Lavoie tells out of her own experience why she recommends her friends to use Dodd's Kidney Pills. "I suffered from kidney disease, headache and indigestion," she says. "I had no appetite, and I could not work. My heart also bothered me. "I took Dodd's Kidney Pills, and I am now in perfect health. I recommend Dodd's Kidney Pills to everyone who suffers from kidney disease."

That Mme. Lavoie's troubles all came from sick kidneys is shown by the quick relief she got from the use of Dodd's Kidney Pills. They are purely and simply a kidney remedy. The reason they give good results for so many different diseases is that when the kidneys are sick the whole body is sick. Weak or sick kidneys cannot do their full work of straining all the impurities out of the blood. It follows that the seeds of disease are carried to all parts of the body, and affect all the weak spots. The natural cure is to cure the kidneys—to use Dodd's Kidney Pills.

Use "Tiz" For Sore, Tired, Aching Feet

No more puffed-up, burning, sweaty calloused feet or corns.

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunion-tortured feet of yours in a "Tiz" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "Tiz" bath. When your feet feel like lumps of lead—all tired out—just try "Tiz." It's grand—it's glorious. Your feet will dance with joy; also you will find all pain gone from corns, callouses and bunions. "Tiz." There's nothing like "Tiz." It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture. Get a 25-cent box of "Tiz" at any drug or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.

AN APPEAL

I am addressing this Appeal to all the people of Newfoundland, but especially to those of the Outports.

Your Government have decided to make another special attempt to obtain further recruits for the duties forced upon us by the War. I am anxious to explain to you in simple and strong words why those duties are yours.

In your sea-girt home you have, I know, your own dangers and anxieties to face. As I write this my mind is still full of the appalling disaster to the Florida. But War you do not realise; you are beyond the sound of the guns which, in the South East corner of England, I have heard day after day breaking in upon the beauty and calmness of the summer air.

That awe-inspiring rumble of the guns which I ask you to imagine—that lurid light on the horizon which I ask you to picture are the signs of a terrible struggle for Right—of a mighty effort to save from ruin, not only France, but every bit of free soil in the world, including this island of which you are so proud. The awful struggle seems to be approaching its climax now and your close kinsmen are in the middle of it.

Some may ask, What is the danger? and it is my purpose to endeavour to make it clear to you. By some permission of Divine Providence, which we do not understand, a nation of criminals is now attacking all that is just and true in the whole world. Germany has set herself deliberately to violate every law of Right and every principle of Humanity.

Never before in History has a War been planned like this. Hitherto all wars have had some sort of pretext of right or impulse of passion. It has been reserved to the German military party to plot wilfully and wantonly a great crime against the peace of mankind.

And the hypocrisy with which Germany supports the crime makes it still more abominable. As Judas treated the Christ, Germany is treating Civilization. Under appeals to God, Germany masks the utmost malignities of the devil. The German nation to-day knows no Law except that of the pagan, the liar, the ravenisher, the murderer. They are a curse let loose on the Earth. And the task demanded of all of us is to fight and conquer this curse just as in our mortal life we are bound to fight and conquer Sin. The Cause is far broader and holier Cause than that which impelled the Crusaders against the Saracens.

We may thank God that the greater nations of the World have realised the justice of the Cause; and I believe that every man in Newfoundland will one day be thankful that he was at least asked to face this question—"Is it not my higher duty to go out and save humanity from destruction?"

Remember that your wives, your children, your cottages, your boats, are in positive danger if the German breaks through France. As he is treating the foolish Russians, so he will treat every nation whom he touches—America, Canada, Newfoundland, are to him mere objectives for his greedy brutality. He is entirely evil, he has no sense of right and no feelings of Mercy.

This mass of incarnate selfishness is held back by the strong arm of the Allies in France. Will any man of British race decline to do all he can to defeat and crush it?

At this moment the need is specially great, for the Germans are now desperate. They begin to realise the truth of that dread decree, "He that takes the sword, shall perish by the sword." At no horror will they hesitate if they can but escape the punishment that is their due.

Now on every man and woman among us lies the duty to bear a hand in administering that punishment a duty not only to ourselves but to posterity. If age or health prevent some of us from going they do not prevent us from following the greatest example ever set to mankind and making the sacrifice of that which is dearest to our hearts.

You young men I ask to listen carefully to the appeals which will once more be made to you in the next few weeks. Believe me that the voluntary act of a man, impelled by the high sense of duty, is far nobler than the mere obedience to the provisions of a public enactment.

One special word I say to women. Try to realise the sufferings of women and children wherever the Germans come; think of the little children starved in Belgium and slaughtered in cold blood in Armenia. Let your men folk stand out and protect you, for in helping to defeat the Germans they are protecting the honour and safety of all their dear ones at home.
