

BREAKFAST — EPP'S COCOA. — GRATEFUL AND COMFORTING — By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor's bills. — *Dr. J. C. Epps' Cocoa*. — Each packet is labeled "James Epps & Co. Homeopathic Chemists, London." Also, makers of Epps' Milky Cocoa (Cocoa and Condensed Milk).

The importance of giving Sheridan's Cavalry Condition Powder to horses that have been out in the cold rain, stood in cold wind, or drank too much cold water, cannot be over estimated; no man should be without them who owns a good horse.

To CURE A COUGH, to relieve all irritations of the throat, to restore to perfect soundness and health the most delicate organization of the human frame — the lungs — use *Dr. Wistar's Balsam of Wild Cherry*, which is still prepared with the same care in the selection and compounding of its various ingredients when it was introduced to the public by Dr. Wistar, over forty years since.

We were pleased to see, not long since, in one of our exchanges, some pretty severe remarks addressed to several persons who, during an interesting lecture by Rev. Jno S C Abbot, kept a continuous coughing, which prevented many from hearing. People who cannot refrain from coughing, had better stay away from such places, or else take a bottle of Johnson's Anodyne Liniment with them.

M. BROWN-SQUARD experimented upon the stiffened arm of an executed criminal, by injecting warm blood into it; the muscles regained their contractility and their irritability. As the cutting of the blood in paralysis of nerve element, so a deficiency of blood is a cause of degeneration of nerve element. *Fellows' Compound Syrup of Hypophosphites* will cause the formation of healthy blood and consequent increased nervous power, induce vitality in debilitated constitutions, and tone all the organs dependent for health on muscular or nervous strength.

PAIN KILLER
Holland And what does the parson's wife say about it?
Wife — Why, it does everything but impossible, she cures Sore Throat, Canker, Rash, Grippe, Coughs, Colds, Bowel Complaints, Cramps, Neuralgia, Rheumatism, in fact she is a host of doctors all in herself. If she has a bottle of Pain-Killer with her.
Husband — She needs to be, I never saw such children as hers are, they are always cutting their fingers, spraining their ankles and falling down stairs.
Wife — Yes, and the Pain-Killer is magical when used for Sprains, Bruises and Fresh Cuts. That reminds me Willie cut his finger awfully this morning; I will hasten and get some Pain-Killer on it.
The Pain-Killer is an internal and external remedy for pain. For internal pain, Croup, Spasms, Sudden Colds and Bowel difficulties, few drops in water will give immediate relief. As a liniment it is without an equal; it does not burn almost instantly. Be sure and get the genuine, made by Perry Davis & Son, and sold by Druggists and Grocers.

FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES
As all life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophytes, are subjects of the Vegetable Kingdom are governed by vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discoverer of means whereby vitality may be sustained in the living body is indeed a benefactor to the world.
Modern Chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.
This Syrup substantially the basis on which *Fellows' Emponophosphate* is built, its direct action is upon the Blood, the Brain and Nervous System, and the Muscles, Strengthening the Nerves, it causes the rapid distribution of Vitified Blood in the Muscular Organs of the Body.
Rousing the Stagnant Heart and Liver, Strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully inflated with Oxygen.
It is adapted for all cases of Weakness and Emaciation, whether arising from a Seditary life, a tropical climate, from fever, or debility from any cause, and is especially of the Vegetable Kingdom, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.
In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails.
For Nervous Debility it stands unrivalled, and may be used with confidence in all cases.
As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for *Fellows' Syrup*, and take no other.
