**Town and County News.**  
We are informed that the millinery show room of Mr. Geo. Jeffrey opens on Saturday next with a display of the newest fall and winter fashions.  
Y. M. C. A.—The regular weekly meeting of the Y. M. C. A. will be held this evening in the hall, at which the annual election of officers will take place. It is hoped that there will be a good attendance.  
A Filthy Scam.—Some rowdy has been wilfully defacing monumental headstones in the yard attached to the Marble Works of Mr. Feast, by squirting tobacco juice upon them. We hope the reward offered in the advertisement we publish elsewhere will result in the conviction of the perpetrator of such a dirty and waston mischief.  
LEAVING TOWN.—Mr. Geo. B. Fraser informs us that he contemplates closing up his business in Guelph, preparatory to leaving for another part of Her Majesty's Dominion, and consequently will dispose of his entire stock of goods at prices that will defy competition. His great clearing sale will be duly announced in our columns this week, so look out for bargains.  
EVERLASTINGS.—The store of Mr. Maroon, on the Market Place, is resplendent just now with a large assortment of dried, coloured everlasting flowers and dried grass, which he has received from Germany, and has for sale. They are made up in a variety of ways, including hanging baskets, fans, bouquets, children's wreaths, &c. They look exceedingly pretty, and are just the thing for winter.

**John Bright—Mr. Hughes.**

Madrid, Oct. 1.—Hundreds of deserters are coming into the lines. They represent that demoralization and insubordination within the city is increasing. The majority of the insurgents wish to surrender, but they are overawed by the liberated convicts and the more desperate portion of the volunteers. The news of the failure of the fleet at Alicante caused a panic in the city.  
London, Oct. 2.—The Daily Telegraph's special despatch from Berlin says trade and speculation is almost at a stand still, and a crisis is apprehended on the bourse.  
New York Oct. 2.—A Fort Klamath despatch says that the erection of the gallows, for the purpose of hanging Modocs on Friday morning, began today. They will all be suspended from one beam, and at a given signal swing into eternity together. The execution will be public that the Klamaths, and other neighbouring Indians, may perceive and feel the moral effect of the punishment.  
London, Sept. 30.—John Bright today was formally installed as a Cabinet officer.  
Mr. Thomas Hughes gave a lecture at Marlboro' College last night, on America. He advised all who intended to emigrate to go to Canada or the States, and spoke highly of the development of British North America.  
Madrid, Sept. 30.—At a meeting of the Conservatives to-day at which Marshal Serrano and Admiral Topete were present, resolutions supporting the Government and rejecting an alliance with the Radicals were adopted.  
Minister Mazonne has returned to Madrid. The people came out to meet him along the route from Alicante, and his trip was a continuous ovation.
