CHEAP LUMBER

There is quality in lumber; do not forget that. Poor lumber means a cold, crude house, difficult to live in, difficult to rent, and difficult to sell. We carry cheap lumber suitable for some purposes, but the kind you want for your new house we make a specialty of. Inquire about our hardwood flooring. It costs you little more than fir and it adds greatly to the value of your house. We store our high grades in completely enclosed warehouses, which give protection from dust, rain and sun. Our purchases are made at the best prices that we can demand. Our customers get the benefit. Inspection of any one of our thirty-six yards will satisfy you as to the two yards in Calgary.
