ner, I need not stop to take it from that I should not walk, and I do not think it was a quarter of an hour craft in the harbor, and near-by later when I reached Chavasse.

The sorry new and the day over comes are the companies of small craft in the harbor, and near-by later when I reached Chavasse. are sorry now, and the day ever comes blood rages in yours, you will be more before driving her back, I hurried into buildings.

He said not another word, not waited for any reply, but, without a glance at Natalie, turned and disappeared rapidly among the trees. The spelly startled by something—the idly among the trees. The snow was sound from the library, the door coming down so thickly now that the traces of his footsteps were blotted out almost as they were made; and Nat, still holding fast to my arm with her face hidden against my sleeve. Was shuddering violently, although I hardly thought with the cold. I put the shawl round her the shawl round her.

"Come, Nat—we must hurry! This Dent's.

Is awful. A fine cold you'll catch! It was lucky I found you. What made in. Madame stood in the middle of the is very uncomfortable. u go out?"
The house stifled me," she muttered, bling like a leaf; poor old Batterbin

"Ugh! That's better than having the was sobbing loudly in company with snow bury you. How came that fellow three or four of the maids; madehere after you?" moiselle was gesticulating excitedly

'He saw me and followed me."

"Oh, as though you did not know!" French and English at a rapid rate, "Oh, as though you did not know!" and Natalie, very pale and quiet, stood she cried, impatiently. "For mercy's close at my mother's side. Valla was sake do not you torment me, Ned! He there, but she and Virtue Dent stood came to plague me as he has plagued together, a little apart from the rest. me before, and to threaten me as he What could be the matter? I wondered, used to threaten me in Jamaica, when I was first afraid of him."

'Threaten?" 1 interrogated, indignat-"Yes-threaten. If you had listened,

you would have heard. It does not mat-ter-nothing matters! I don't think we shall ever see him again—I hope not that. Ned, there has been a robbery have been that. Ned, there has been a robbery here. Natalie's jewels have been stolen. Every stone is gone!"

REVIVA there would be little use in saying |

anything else, so held my tongue as I helped her through the narrow paths leading to the Lady's Walk, and so on up to the house. The hall was empty, and, as I took off the snow-laden shawl and assisted thing but the stupefying fact that Naher to unbutton her fur jacket, a sud-talle's jewels were really gone-stolen.

George that you were-that you were I told him."

den thought made me ask—
"I say, Nat—you didn't tell St.

had worn all day. Surprised at this, Madame asked her if she did not feel All the rest of the day the snow well enough to go down; and Nat told although falling less thickly, her that though she had rung her bell and I did not, as I had intended, walk repeatedly, neither Valla nor Virtue into Whittlesford to see Yorke; but Dent had responded. Vexed at this next morning was bright enough, neglect, Madame dispatched her own and after luncheon I set off, knowing maid-a sober middle-aged woman that that was as good a time as any named Briggs—in search of the miss-to catch my friend at home. But I ing couple. Briggs came back with a was disappointed, for old Dizarte, message from Mrs. aBtterbin to the whom I found having a nap by the fire effect that Valla was suffering from in the dining-room, with his red silk the combined horrors of toothache and handkerchief over his bald head, told a mustard placetors of toothache and me that Roger had left for Market directly after the servants' dinner, Waxford an hour before. Cowdrick, the banker, had taken a turn for the an hour or two, and had not yet re-

I stayed a few minutes talking, for lengthoned into the hour or two had the old doctor was full of his "boy's" the old dector was full of this own and offered to help Miss Orme herself; and resignation as head of the company, was glad to have any one to whom he Madame sat down by the fire until the could enlarge upon his grievance. Get-ceremony should be ting away by no means more cheerful chance word of Natalie's presently led for our talk, I stood hesitating at the the talk back to the ball; and a comfor our talk, I stood hesitating at the gates of Redpots, not caring as yet to go back to Chavasse, which seemed to have had a cloud upon it ever since the night of that luckless ball. I was just debating whether or not I should had been worn by the young lady herself induced a remark from her to the effect that the clasp of her necklace was upsets. Madarre deciding that if enceavor to cheer myself up by turn- was unsafe. Madame, deciding that if ing in at the rectory for a chat, when such was the case it must be looked a dog-cart, bowling swiftly down the road, pulled up in front of me, and I key of her cabinet in order that she road, pulled up in front of me, and 1 looked up to recognize the lodge vehicle, with Major Constable in it, looking very brown and jolly, and his man into the next room, unlocked the cabinet in the spirited bay beside him holding in the spirited bay into the next room, unlocked the cab-

"What are you after here?" the mafor asked, bending down to shake hands. "Yorke, I suppose—eh?" "Yes; and he isn't here, worse luck

Where are you off to?" "I? Oh, Bridgely Norton!"—a busy town some eight miles on that side of Whittlesford. "I've some business

"Then I wish I had," I said, laughfng. "I'd come if there was room."
"Would you care to? All right then; Jones can go back, provided that you'll undertake to drive. I can't manage head begged that their boxes et caetera Jump might be searched at once. They had that with one arm, you see. "It's a "-as the man descended. glorious afternoon for a drive."

So it was; and the drive and the major's cheerful company pretty well say that a more unpleasant task I dispelled the "blues" for the time be-His business took longer to transact
