Open the cabbage carefully to the very centre, put in 1/2 teaspoonful of the mixture, fold over 2 or 3 of the little leaves; now cover these with a layer of the mixture, fold over this the next layer of leaves, and so on until each layer is stuffed. Press all firmly together, tie in a piece of cheesecloth, asked in the woman's page a short time put it into a kettle of salted boiling ago: "Who should carry the money, water, and boil 2 hours.
