# **BLACK KNIGHTS** KEEP DERRY DAY

Members of Western Ontario Preceptories and Chapters Rally in London.

Speakers Laud Orange Order As Founded On Principles of Liberty.

Remembering the deeds of their forefathers, to stand up today as did their ancestors for their liberties and rights, was the aim of the appeal which prominent speakers made to several thousands members of the Orange Order of Royal Black Knights of the British Commonwealth from preceptories and chapters all over Western Ontario, gathered Saturday afternoon at Queen's Park under the auspices of the County Chapter of Middlesex of Royal Black Knights to commemorate the 233rd anniversary of the relief of Londonderry.

A lengthy parade of all the preceptories represented at the rally from the counties surrounding Middlesex opened the program of Derry Day. The precession began at 1:30 in the afternoon, the preceptories forming the impregnable rock of the British up on Queen's avenue and marching to the music of fife and drum bands, to Dundas street and the park.
