Home and thereby added much to the left Hongkong for Victoria at noon yester-day. Home and thereby added much to the pro-mised pleasures of the trip. It is proposed to leave the Dansmuir wharf at 2 p.m., re-tarning te Victoria about 8 e'clock.

especially rough weather. On rounding \$4,000 if he knew there was a mortgage Cape Horn unusually fierce gales were encountered, in which the bark fared He foremast was sprung and one of her lifeboats went over the side. Once during the trip, too, she was short handed, several of the crew being held to their bunks through sickness.

THE " WARRIMOO'S " REPAIRS

MARINE NOTES

which seemed to have not unduly annoyed The result of the official inspection of the the manager of the defendant's business, R. M. S. Warrimoo, in the Esquimalt dock, and they put in force their powers of sale is that it is found necessary to replace one under the act. Defendants assert that bekeel plate and two bilge plates, which with some rivetting will make the vessel as fore the bill of sale was put in force for the

purpose of sale, Mr. Van Volkenburgh was staunch as ever. The other plates it is to have the option of repurchase, if the profound are damaged in appearance only, their perty was not sold, or if it was bid in and strength not being affected, so that it is they got it. Plaintiff says no time limit problematical whether what would be the was fixed, while defendants stated that the lengthy and expensive task of replacing plaintiff was to have a couple of months in them will be undertaken even upon her which he might re-purchase.

The sale, the judge declared, was void in arrival at Sydney. The repairs to be done equity. The property was merely put up for sale; it did not go beyond that, because it, was bought in by the mortgagees, who here have been entrusted to the Albion Iron Works Co., who are now hard at work upon them, and the end of the week may see the

could not be vendor and purchaser at the same time.

but the evidence of Mr. Holland and Mr.

of plaintiff because, as Mr. Holland puts it, he would not have lent \$5,000 on property

The judgment goes on to state that the

moltgage being executed a transfer was ex-equted by the B C. Land and Investment

Agency to defendants, but no money passed

between them as they acted as agents of

the defendants. About that time it was

discovered there was a second mortgage

upon it of some \$3,000."

Prentice on the matter clearly to my mind

much more likely to be correct than that

The effect of the sale, however, was that well laden. defendants went into possession with the consent of the plaintiff. Subsequently, in May, detendants made a transfer of the Saturday evening last, for the purpose of whole business. Plaintiff claims he did not selecting a candidate for the reprepart with part with the good-will of the district in the provincial registrature, business, but the court could not say that there was any value in the good-will of a business of that sort. The court decided that the plaintiff is entitled to redemption that the plaintiff is entitled to redemption The walls, which sailed for this port from San Francisco yesterday, has the following Victoris passengers aboard: Miss which sailed in respect of both mortgages. Defendants to the sale of the whole of the mortgages. Defendants this acknowledgment of the honor paid him and of thanks to the residents of Cow twenty fifth part of the month. This was the mort by Mrs. Carter. The club was must show all the moneys they received and paid out in respect of plaintiff. Mr. S. Perry Mills for plaintiff; Mr. A. E. Mo-Phillips for defendants. Hall, the bluejacket who is charged with doing wilful damage to property by break-ing the plate glass window of Erskine's boot

store, came up for election before Mr. Justice Crease yesterday. He chose speedy trial, which was fixed for Friday morning at 10 o'clock.
