TYPHOID FEVER
There are two cases of typhoid fever at the hospital. Both were brought down from the lumber camps.

MISLEADING
The light on the ferry landing should be removed as it is very misleading to people driving across the ice.

NEARING COMPLETION
The work on the improved quarters for the Bank of Nova Scotia is nearing completion and it is expected that the staff will move in early next week.

THE ICE CONTRACT
Mr. Philip Goodin has been awarded the contract for supplying one thousand tons of fresh water ice for the I. C. R. This will likely be cut from Contractor Wallace's pond near the reservoir.

NOT ENOUGH FOR TWO
Neither the hockey match nor the Opera House had as large crowds as they desired, Wednesday night. The managers of these two attractions should get together and fix dates so that they would not clash.

NORMANDEAU-GALLANT
A very quiet and interesting wedding took place on Tuesday at the Church of Our Lady of the Snows, when Mrs. Arlene Normandeau of this town and Miss Emeline Gallant of P. E. Island, were united in the holy bonds of matrimony. The ceremony was performed at 9 o'clock by the Rev. E. P. Walker. The bride, who was escorted by Miss Philomena Normandeau, sister of the groom, while Mr. Nap LeBlanc acted as best man. We all join in wishing the newly married couple a long and prosperous life.

A TOUGH EXPERIENCE
Henry Brattwick, the guide, returned yesterday from a trip to the Miramichi woods. While making his way along a lone road in the darkness one evening last week, Mr. Brattwick lost his footing while descending a hill and legs participated into four feet of icy water. He managed to get out with some difficulty, and during the three mile walk to camp his clothing froze stiff. Fortunately he had a supply of wood on hand, otherwise in the condition he was in he would have been unable to start a fire and probably he would have frozen to death.—Redeemer Herald.

AND WHAT I'VE THINK A THAT
We are not very superstitious, but if we hold in our possession certain prescriptions given by a priest-physician whose extraordinary powers of healing seemed not unlike those exercised by Hinko who said to his apostles: 'You shall lay hands on the sick and they shall recover' and if after the death of that priest-physician we should undertake to make a commercial speculation out of the skill for which he had always refused gift or fee, we should stand in constant fear that God might punish us by permitting his spirit to haunt us till we renounced our purpose of making gain in such a fashion.—Con.

SKATING PARTY
Mrs. W. R. Mann and Mrs. H. H. Mann entertained a number of their young friends to a skating party on Monday evening last. After skating until 10 o'clock the party repaired to the home of Mrs. Mann, where a dainty luncheon was served, after which followed games. In the 'Article Gallery' the honor prize was won by Miss Amelia McLellan and the Booby by Mr. Johnston Murray. In the 'Penny Competition' Mr. Willie Mac won first prize, while Mrs. A. H. Ingram won the booby. The party broke up about 12.30, every one having thoroughly enjoyed themselves. Those of the party included Messrs. Lynn Graham, Emma Mowat, Jennie and Les Campbell, Eva Wilson, Greta Adams, Anna MacBeth, Amelia McLellan, Bonnie Miller, Mrs. A. H. Ingram, and Messrs. F. E. Lockhart, Dr. Price, Johnston Murray, Nat McBeth, Fred McAlister, Kari McAlister, Alex. MacBeth, Earl Mowat, Jas. Flott and Willie Mott.

70 Years with Coughs

We have had nearly seventy years of experience with Ayer's Cherry Pectoral. That makes us have great confidence in it for coughs, colds, bronchitis, weak throats, and weak lungs. Ask your own doctor what experience he has had with it. He knows. He can advise you wisely. Keep in close touch with your family physician. No alcohol in this cough medicine. J.C. Ayer & Co., Lowell, Mass.

Be well, be strong. You cannot if your bowels are constipated. The best laxative is Ayer's Pills, all vegetable. Ask your doctor if he agrees with us. Do as he says.

BANK STATEMENT
On our first page we present the 67th Annual statement of the Bank of Nova Scotia. One of the suggestive features of the report was that the net profits for the year, after making provision for all bad debts, were \$559,577. Four quarterly dividends of 12 per cent. have been paid, and there are other evidences in the report of continued growth.

Minard's Liniment Co., Limited, Montreal.

Gentlemen—I have used MINARD'S LINIMENT from time to time for the past twenty years. It was recommended to me by a prominent physician of Montreal, who called it the "great Nova Scotia Liniment." It does the doctor's work; it is particularly good in cases of Rheumatism and Sprains.

Yours truly, G. G. DUSTAN, Chartered Accountant Halifax, N. S., Sept. 21, 1905.
