He was taken to the hospital, where he is progressing favorably. On the cricket ground Tuesday evening a hundred yards run took place for \$25 between Warwick and Robinson, the former winning. A half-mile race took place between Wright and McKenny for \$50, which was won by the former after an exciting race.

PUBLIC SCHOOL BOARD.

The Model School—More Overcrowding—Accounts Passed.

At the meeting last night a communication was read from G. H. Brown, saying that the school would put up furnaces in the Hope street school, and if they did not prove efficient he would remove them from the school. Miss E. Thompson tendered her resignation.

Regarding the city model school, Inspector Hughes reports that it has been opened in connection with the public schools, according to a resolution of the board. There are ten classes in attendance, who are all residents of the city and have all succeeded in obtaining their second-class professional certificates.

The centre street school in the Grace church mission district was opened on the 13th inst. The total number now in attendance is fifty. Many of these are children who can only attend school for a portion of each day. Whatever may be the ultimate result of the undertaking in its relation to the poor children for whom it was originally intended, Mr. Hughes is convinced that it will have a most salutary effect on the minds of the children.

Although the new school on Hope street is very much overcrowded, it has not relieved Givins street school, which is still in the predicament of overcrowding. In Givins street school especially the lack of accommodation is felt to quite an extent. Before the opening of Hope street school Miss A. A. Gray of Palace street school obtained a first-class certificate. "Grade C" at the last term's examination.

The committee on school management recommended that Miss E. J. J. Channing, teacher of the junior third class Niagara street school, be transferred to the corresponding class in Winchester street school, in the place of Miss Hoy, and that Miss A. McBrian, teacher of the junior third class of Louis street school, be transferred to the corresponding class in Selkirk street school in the place of Miss Church. Both recommendations were adopted.

A \$3000 ROBBERY.

Mr. R. L. Chandler of St. Thomas gives the following version of his alleged robbery on the G. W. R. On Wednesday last he went to Toronto via the Great Western railway, upon his way to settle his business affairs with his creditors, after which he intended to proceed to Montreal for the purpose of commencing a detour. In a case of commencing a detour he alleged he had over \$3000 wrapped in a parcel, and carried the coat thrown over his arm. Upon reaching Toronto he raised the money, and found that it had been stolen from his pocket. He at once communicated the particulars of his loss to a detective in Toronto, and has since received information that the money would be returned to him soon, which he did not make the facts public.

CHANGING CHAMBERS.

The master gave judgment yesterday in several matters arising out of the judicial act. In one of these he held that the procedure in a suit for dower was included under rule 65 of the judicial act. It is one of the new overights in this act, that no actual provision has been made for dower suits as to the manner in which they shall proceed.
