

### TO THE PUBLIC.

WE The Undersigned having heard that the Branch of the St. Andrews Standard, N. B. as a body, think it necessary to state that several qualified pilots, at sundry times, offered their services in the line of their profession, to Masters Commanding vessels owned by National Marks, and that these services have been uniformly rejected. On a recent occasion Capt. Hutton of the N. B. ship, in reply to several of our number who offered him their services, stated that Mr. Marks would not allow him to take a pilot as the vessel was not suited. We are of opinion that in consequence of the N. B. ship having no Branch Pilot on board, she went ashore on Saturday the 25th August last.
