

the liberal appropriations of the Legislature, and we shall soon have to rank our great roads with the celebrated Nerepis. First among these we are proud to place our Highway to St. John, under the supervision of Colonel George Anderson. This Gentleman's high qualifications for so important a trust are only to be equalled by his indefatigable industry and efficient operations. We have the evidence of an American Gentleman (well known in this community as a shrewd observer) that towards the westward there is not a road within three hundred miles of us, to be compared to that under improvement which is the object of this notice. We rely on the liberality of the Legislature to enable the Colonel to finish this line throughout in his own style, while it benefits the public will be a monument of fame to him.
