WHEN BABY IS CROSS

Mothers, when your baby is cross—when he cries a great deal and no amount of attention or petting cheers him—something is the matter. It is not the nature of little ones to be cross and peevish—the well child is a happy child. Give him a dose of Baby's Own Tablets and he will soon be well again. The Tablets are a mild but thorough laxative which regulate the bowels and stomach; banish constipation and indigestion; break up colds and simple fevers and relieve the other minor ills of little ones. Concerning them, Mrs. Oscar Bedard, Ste Sophie, Que, writes: "Baby's Own Tablets are an excellent remedy for constipation. They relieved my little one when nothing else would and I can strongly recommend them to all mothers." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

KNOWN HIS BUSINESS

A correspondent writes: W. A. Chute, Bear River's Commodore building mover and vessel raiser, has the contract to raise W. S. Troop's residence in Digby. This is a large building three stories high. It will take about 50 jacks to lift it, but the old Commodore has the gear and knows how to use it.

The Lloyd Manufacturing Company of Kentville are to undertake the manufacture of dusting machines, of an improved type, for use in Nova Scotia orchards. The United Fruit Companies will act as selling agents.

The Berwick electric lighting plant is now operating on all night service. Providing the demand for power is sufficient to warrant same a day service will be inaugurated in the near future.

Careful packing of fruit or vegetables always pays in better prices paid for the product. A bright clean, attractive package helps the sale of fruit and vegetables. Anything that appeals to the eye helps the sale.

ELECTRIC LIGHT AT ROUND HILL

Capt. R. G. Evans has installed a private electric light plant on his property at Round Hill, which is working beautifully and giving excellent satisfaction. It is a Fairbanks-Morse outfit installed by H. J. Campbell, electrician at Bridgetown and was purchased from F. W. Stevens, the company's representative in this town. A regular display advertisement in the MONITOR would no doubt bring the Company many purchasers from our surrounding villages beyond the extension of the regular electrical lines from the various incorporated town.

A REAL LIVE TESTIMONIAL

Given to Professor Hamilton, of Hampton, N. S.

East Middle LaHave, June 30, 1914 I can scarcely find words to express my thanks for what Prof. B. S. Hamilton has done for me. I suffered from Catarrh for eleven years. Tried several well known remedies but kept getting worse, until I was doctor to give up in despair. One doctor told me my case was incurable. But thanks to Professor Hamilton's treatment I am cured. I do not hesitate to recommend him to all who suffer as I have. LILLIAN HARTMAN

St. Joseph, Levis, July 4, 1905 Minard's Liniment Co Limited. Gentleman—I was badly kicked by my horse last May, after using several preparations on my leg nothing would do. My leg was as black as jet. I was laid up in bed for a fortnight and could not walk. After using three bottles of your MINARD'S LINIMENT I was as well as ever, so that I could start on the road. JOS. MONCTON MAN HAD TO QUIT WORK

Never Thought He Would Regain His Health But Tanlac Put Him Back on the Job.

Almost everybody in Moncton, N. B. knows Evariste J. D. Le Blanc, of 207 Robinson St., who is book keeper at his brother's fashionable establishment on Main street. He is one of the oldest and most highly respected residents of Moncton.

"I was ill for about two years so ill indeed that I had to give up work for a while year, and never thought I should ever start again" said Mr. Le Blanc to the Tanlac representative who had heard of his remarkable recovery and called to see him at his place of business. "I suffered from a shocking stomach trouble I can never tell you all that I went through and suffered. If ever I ate anything like a decent meal I was seized with pains in the abdomen. For hours afterwards I would be greatly distressed and also have peculiar dizzy feelings I had but a very feeble appetite and came at last to hate the sight or smell of food I got very weak and thin and must have lost a great deal in weight I also suffered a lot from rheumatic pains in my legs and knee joints. As all my friends know I was in a deplorable condition, and really despaired of ever getting my health back again."

"I had read in the papers of so many people who had gotten relief from stomach trouble similar to my own case by taking Tanlac that I went along to my friend and bought a bottle. It certainly did wonders for me. My rheumatism disappeared entirely and I haven't had pains in my legs or knee joints since. But what surprised me even more was the way it settled my stomach trouble. I began to assimilate the food properly and could eat quite a hearty meal without any distressing after effects. My appetite rapidly increased and I quickly got stronger until now I have actually gained fifteen pounds in weight and am back at my business again. My friends all say to me why Evariste how well you look you are getting quite fit and I must say that I am feeling better to day than I have for years past. Tanlac has been a real boon to me and I take great pleasure in giving you this endorsement."

Tanlac is sold in Bridgetown by S. N. Wear in Middleton by Clifford A. Mumford and in Dear River by I. V. Harris.
