SALMON ARM, Shuswap Lake, B.C. has the finest fruit and dairy land in B.C. No irrigation necessary mild winters, moderate summers, no blizzards, or high winds; delightful climate; enormous yields of fruit, vegetables and hay; good fishing; fine boating amidst the most beautiful scenery, and the Salmon Arm fruit has realized 25 cents per box more than other fruit in B.C. Prices of land moderate, and terms to suit. Apply to F. C. Haydock, Salmon Arm, B.C.

IF YOU WOULD LIKE to purchase a site for a home and fruit farm on good, suitable soil situated in the most favorable and dependable climate in Canada, get Louth-Clinton Peach Area free information and ground floor prices for properties in the coming locality for most profitable fruit growing. Don't miss present bargains—forty thousand mansion and farm for only thirty thousand, a fifty acres for ten thousand; others large and small. Enquire about them. State what you want. W. H. Brand, Jordan Station, Ont.

A Successful Year

The annual meeting of the St. Catharines Cold Storage and Forwarding Company was held last month. The report of the directors showed total receipts of \$118,371.95, and total expenditures of the same amount, there being a balance on hand of \$2,656.48. The president reported that the car of strawberries shipped west to Winnipeg proved very successful, and advised the making of another shipment this year. Several cars of red and black currants, gooseberries and cherries that had been shipped resulted in extra good sales.

Three shipments of peaches were made to the British market, and the reports received concerning them were that the packing was perfect. The making of additional shipments during the coming season was advocated to prove whether the market will be safe to count on for larger consignments in future seasons when present plantings come

into bearing. A new feature, the packing and sale of boxed pears and peaches to Toronto firms was started last season, and resulted in a demand which the trade state will result ultimately in the displacement of the California trade.

The election of directors resulted as follows: Messrs. R. Thompson, J. E. Parnell, Jno. Broderick, and G. X. Walker. Mr. F. G. Stewart resigned after fourteen years' service. This vacancy was filled by the appointment of Mr. Blackie. An advisory board composed of Messrs. C. E. Secord, W. H. Secord, G. A. Robertson, A. Onslow, W. Burgess, W. C. McCalla, and F. G. Stewart was elected.

I know of no better horticultural publication than the Canadian Horticulturist. At its low subscription rate of 60c a year, no home should be without it.—A. Carson, Barrie, Ont.

STANDARD OF QUALITY FOR EVERY FARM POWER NEED

For running the cream separator, churn, feed cutter, wood-saw, fanning mill, thresher, pump, grindstone, electric lighting plant, washing machine—any farm machine to which power can be applied—an IHC gasoline engine is the best investment you can make. It will work steadily and economically, it will last for years, and require less attention and repairing than any other engine made.

The record of IHC engines on thousands of farms is proof positive of their superiority. Their advantages in simplicity, strength, economy, efficiency, and durability are well known.

IHC Gasoline Engines

are built right—of the best materials obtainable—by skilled workmen, in the finest equipped engine factories in America.

When you buy an IHC you know it must be right in order to maintain the IHC reputation for highest quality.

In the IHC line there is an engine that meets your special needs. They are made in the following styles and sizes.

Vertical type—2, 3, 25, and 35-H. P.; horizontal—1 to 25-H. P.; semi-portable—1 to 8-H. P.; portable—1 to 25-H. P.; traction—12 to 45-H. P.; sawing, pumping, spraying, and grinding outfits, etc. Built to operate on gas, gasoline, kerosene, distillate, or alcohol—air-cooled or water-cooled. See the IHC local agent, or, write nearest branch house today for new catalogue.

CANADIAN BRANCHES—International Harvester Company of America at Brandon, Calgary, Edmonton, Hamilton, Lethbridge, London, Montreal, North Battleford, Ottawa, Regina, Saskatoon, St. John, Weyburn, Winnipeg, Yorkton.

International Harvester Company of America
Chicago (Incorporated) USA

IHC Service Bureau

The bureau is a center where the best ways of doing things on the farm, and data relating to its development are collected and distributed free to everyone interested in agriculture. Every available source of information will be used in answering questions on all farm subjects. Questions sent to the IHC Service Bureau will receive prompt attention.
