

Be hush'd, each murmur'ing thought:

The God who gave, recall'd my darling boy,  
The spirit is withdrawn,  
To the pure regions of eternal joy.

That body too shall rise,

More beautiful far than ere bereft of bloom;  
And I shall see it then,

When with my babe, I burst the narrow tomb.

Even now, by faith I see,

Thy happy spirit near the glorious throne;

A mother's love could wish no more,

Thy earthly conflict's o'er, thy glorious victory  
won.

#### FRAGMENT.

Heaven and earth

Shall pass away, but that which thinks within me  
Must think for ever; that which feels must feel:  
—I am, and I can never cease to be.

O thou that readest! take this parable

Home to thy bosom; think as I have thought,

And feel as I have felt, through all the changes,  
Which Time, Life, Death, the world's great  
actors, wrought

While centuries swept like morning dreams  
before me,

And thou shalt find this moral to my song:

—Thou art, and thou canst never cease to be:

What then are time, life, death, the world to  
thee?

I may not answer, ask Eternity.

JAMES MONTGOMERY.

#### MONTHLY SUMMARY OF NEWS.

The Chinese Treaty, executed by Sir Henry Pottinger, the Chinese Plenipotentiary, had arrived, having been borne by Major Malcolm. It bears the signatures of the three high commissioners deputed by the Emperor, and sent to Nankin to arrange the terms, &c. Major Malcolm brings a letter of assent from the Emperor himself, solemnly engaging to ratify the treaty as soon as it shall be returned to him with the signature of Her Majesty attached thereto.

The Blonde, frigate, 46, Cap. Bouchier, had sailed from China for England, with two millions and a half of dollars of the Chinese compensation money.

The Society for the Propagation of the Gospel in Foreign parts, have promptly made arrangements to establish a mission at Hong

Kong, and will raise a special fund for that purpose.

Trade has sensibly revived in England, since the adjustment of the Chinese difficulties.

A very satisfactory Commercial Treaty has been recently executed between Great Britain and the Brazils, which will adjust all the points in dispute between the two nations.

It is stated that the slave trade is carried on with unabated activity in Cuba, and that the Captain-General winks at the abomination. Three cargoes of slaves recently arrived there, and were made emancipados of.

#### IMPORTANT FROM SPAIN.

The uprising against Espartero which has been previously noticed, proves to be very formidable in the South of Spain. Barcelona was bombarded by the troops of the Regent on account of its rebellion, and after a fierce and desperate struggle of some twelve hours, was compelled to surrender. During this time 520 bombs were thrown into the town. The Catalan spirit has been thoroughly aroused, and it will be strange if the matter ends here.

The last accounts from Kingston, leave almost no hope of Sir Charles Bagot's recovery.
