

A Word to Sabbath School Superintendents

A GIFT that the scholars of your Sabbath School will appreciate—every one of them—is a new library or a substantial addition to the one you have and that has done duty until it is perhaps worn threadbare. Write us for our catalogue and terms, and see what you can do; then see about the ways and means of making your purchase. You will be surprised and pleased to see how far twenty-five or fifty dollars will go in supplying the scholars with bright, new, up-to-date books. As to discount and terms we can say with confidence that nowhere else can you buy to better advantage. While you have the matter in mind, write for our catalogue of 3000 books. We gladly send it free to any address upon application.
