Following our

## Summer Session JULY and AUGUST

we again enter upon the **Fall Term** from Tuesday, September 5th, under better conditions than ever. We have enlarged our premises, improved our equipment, and revised our courses—all with a view of doing better work for our patrons.

1904-5 has been our banner year for placing graduates in good positions at good salaries. We have been quite unable to supply the demand, and we know 1905-6 will bring still greater opportunities for our well-trained students.

Our large staff, (20 teachers) our excellent courses, our modern equipment combine to enable us to do for students what no other Business School can attempt. If interested, write for our new catalogue. Address

**W. H. SHAW, Principal**

**Central Business College, Toronto**  
Yonge and Gerrard Streets
