ROYAL CANADIAN BANK.

ELSEWHERE will be found the report of Mr. Yarker on the condition of this Bank on the 31st July. It is less favourable than the public had reason to expect from previously published statements of the Directors, but there is nothing in it which would seem to make it at all necessary that the Bank should not resume business immediately. In fact, Mr. Yarker gives the very strongest reason for not going into liquidation when he states that his estimate of the value of assets are based on the presumption that the Bank will shortly open again for business, and that otherwise there would be great additional loss of capital. It will be seen that against total liabilities of \$835,631, there are held by the Bank cash assets to the amount of \$429,341, or over 50 per cent. With this sum on hand, and restored confidence on the part of the public following changes made in the Board of Directors, we cannot but look for the early announcement of the re-opening of the Bank. When it does resume, we trust it will have more careful management, and the experience so dearly paid for prove of value in the future at least in warning against the errors which have occurred in the past.

CONVICTION FOR FRAUD.—We observe from the *Melbourne Argus*, that Messrs McCallum Neill & Co., as agents for Messrs. Dunville & Co., the celebrated Irish whiskey-house, have obtained a conviction against Robert Jones, Merchant, Elizabeth Street, Melbourne, for selling a spurious article under the name of Dunville's old Irish whiskey.

total Assets and Liabilities of the Banks of
Quebec and Ontario, for July, and the previous
month:—

	June.	July.
Circulation	\$ 7,145,871	\$ 7,071,904
Balances due other Banks	1,893,615	1,832,827
Deposits not bearing interest	16,403,744	14,792,042
Do. bearing interest ..	21,267,697	22,438,390
Total Liabilities	\$46,210,887	\$46,687,063

ASSETS.

Coin, Bullion, and Prov. Notes	\$13,022,915	\$12,911,798
Landed or other property of Bank	1,600,177	1,597,372
Government Securities	3,108,263	3,108,499
Notes of other Banks	1,993,593	1,791,220
Balances due from other Banks	6,228,862	6,145,974
Discounts	49,970,629	50,620,563
Other Debts	2,820,395	2,781,680
Total Assets	\$78,540,230	\$78,556,176

In the Liabilities, there has not been much change.
Circulation has again been declining, but less rapidly
than in previous months, the loss being about \$70,000.
The gain in Deposits has once more been large,
amounting to \$555,991, making the total deposits \$37,
220,432. The steady reduction of notes in circulation
and increase in deposits, are indicative of the general
depression in trade which prevails. With more
activity in commercial circles, which will doubtless
take place as soon as the farmers have leisure to mar-
ket their crops, we may look for a movement in a
reverse direction.In the Assets, the only change worth noting is an
increase in Discounts of \$650,000; and we may now
expect to see continued expansion for some time to
come.**THE ANNAPOLIS AND WINDSOR RAILWAY.**THE opening of this Railway took place on Wed-
nesday, the 18th inst.; a number of invited
guests passing over the road and partaking of a
luncheon at Kentville, which passed off very pleas-
antly. Sir Hastings Doyle, the Archbishop, Chief
Justice, members of Nova Scotia Legislature, and
others were present. The railway was opened for
traffic the following day, and is now completed, with
the exception of some thirteen miles. The country
through which it passes, for the greater portion of the
distance from Windsor to Annapolis, is very fertile,
and is looked upon as the garden of Nova Scotia. Its
productiveness will no doubt be greatly stimulated
by the building of the railway which will bring it
