

thusiastic. The members were hospitably entertained by members of the Church at houses close at hand. The hope was expressed that it will not be long before another such visit is paid to the Mission.

Bourg Louis—The Rural Dean, Rev. I. M. Thompson, proposes to visit the Mission of Bourg Louis on October 31st and November 1st next.

GEORGEVILLE.

The annual sale of work of St. George's congregation was held on the 15th ult. The day was one of the gloomiest, the rain falling in torrents. Despite the unfavourable weather, the workers were cheered to learn that their efforts were crowned with success. The amount netted was considerably over one hundred dollars.

The Church has been enclosed with a neat fence, which was much needed; much interest is being taken in keeping the Church yard neat and clean; the planting of trees around the Church is a decided improvement.

The attention of the congregation has been directed to the precarious condition of the Church tower; immediate precaution has been taken, the work is now going on.

The Church fabric has been a continuous bill of expense and a heavy burden for many years past which has weighed heavily on the congregation.

The Revd. Osborne Troop, M.A., Rector of St. Martin's, Montreal, officiated at St. George's during the month of August; his services were invaluable and will long be remembered.

LENNOXVILLE.

On Sunday, September 2nd, the Lord Bishop visited Lennoxville. From September 1st to 4th he was the guest of Arthur Simpson, Esq. On the 4th his Lordship took up residence at the Lodge, where he remained till after the visitation. On Sunday morning a Service of Thanks was held, the Bishop preaching on the subject. The regular Harvest Thanksgiving with suitable decorations will be held later. A large number of parishioners attended the Holy Communion. The Rector (Rev. Professor Scarth) was assisted by the Principal of the College. In the afternoon the Principal drove the Bishop to Milby, which had not been visited by a Bishop for several years. Milby, Johnville and Sandhill got together to form the College Mission under the charge of Professor

Wilkinson. Mr. G. Pye has been the Student in attendance on this Mission during the Summer holidays. The afternoon threatened and looked dark, but a good attendance was mustered. The Bishop in his sermon invited those who had not been confirmed to give in their names to Mr. Pye, and the result is that a Confirmation Class has been formed. The day closed with a very earnest and helpful Confirmation Service at St. George's Church, Lennoxville, the Principal acting as Chaplain, and the Rector (Rev. Professor Scarth, M.A.) presenting twenty-five Candidates—a good number of adults—thirteen male candidates and twelve female. The whole day was very encouraging.

HEREFORD.

Our little Mission has suffered a severe loss by the death of Edwin Bean, who passed away on the 30th August, after an illness of six weeks.

It is to the energy of the deceased that we are largely indebted for the beautiful little Church consecrated by the Bishop in January last, at which visitation Mr. Bean received the Rite of Confirmation.

His loss is deeply felt, not only by our little congregation but also by the community at large, which esteemed him for his conscientious business principles and unbiassed philanthropy.

"May the good which he has done live after him."

On the night of August 31st, some of our young friends of the neighboring American villages of Canaan and Stewartstown gave a concert on behalf of the organ lately purchased for St. Paul's Church. The entertainment, a strictly high class one, the second of the kind ever held in this section, was, considering the unfavorable state of the weather, well attended, the result being a good sum toward the wiping out of our debt.

A special Thanksgiving Service was held at St. Paul's Church on the evening of September 20th. The sacred edifice, as befitting the occasion, was tastefully decorated with autumn leaves, fruits and flowers.

An impressive, thoughtful sermon on the duties of thank-offering was preached by the Rev. G. H. F. Murray, of Dixville. The musical portion of the Service, consisting of chants and hymns appropriate to the festival, was well taken by the choir. The sacred solo during the Offertory being exquisitely rendered by Miss Hibbard.
