At the D. P. A. Convention Mr. C. S. Applegath stated that he had to write reports of the meet for four or five papers and each report had to be different. He succeeded but it was at the sacrifice of the truth in some cases. One paragraph in particular has caused much annoyance. It states in substance that, On account of the St. Catharines members not having taken interest enough to have their city represented at the meet that it was unanimously agreed to try and hold the next convention at Niagara Falls. This is false. The motion was to hold the convention at Niagara Falls if the other societies could be induced to hold their meets at the same place and time. No mention was made about the St. Catharines members in the motion. Mr. Applegath's reports would imply that it was included in the motion that St. Catharines should lose the meet because it had no representative there. We think the St. Catharines members should demand an apology from Mr. Applegath.
