WHAT'S IN A NAME?—Scrofula is so called from the Latin scrofula, a pig, from the supposition that the disease came from eating swine's flesh. It is often inherited from parents, and leads to abscesses, ulcers, sores, debility, king's evil and consumption.

ADVICE TO MOTHERS.—MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button."

CORNS cause intolerable pain. Hollows corn cure removes the trouble.

THE EFFECTS OF WHISKEY.—The effects of whiskey are always evil, and those who feed upon alcoholic stimulants, mainly endeavouring to cure coughs and consumption, but nurse a viper. Haggard's Pectoral Balsam is a remedy that is always reliable for all throat, bronchial and lung troubles, and never does harm to any one.

PROCLAMATION.

O. MOWAT, Attorney-General. Whereas upon the thirteenth day of April, now last past, two dynamite, or duelin cartridges were found in a recess of a wall of the Parliament Buildings of Ontario, and another in a recess of a wall of the Department of Crown Lands of Ontario, under such circumstances as indicated that such cartridges were so placed with felonious intent.

And, whereas, our Lieutenant Governor in Council has deemed it expedient to offer a reward for such information as will lead to the discovery and apprehension of the party or parties who placed the said cartridges in the recesses aforesaid.

Now, know ye that the sum of one thousand dollars will be paid by the said Province of Ontario to such person or persons as shall give such information as will lead to the discovery and apprehension of the party or parties who placed the said cartridges in the recesses aforesaid. In case more persons than one claim to be entitled to the said reward or share therein, the same shall be paid or apportioned as the Attorney-General of Ontario may determine to be just.

In testimony whereof we have caused these our letters to be made patent and the great seal of our said Province of Ontario to be hereunto affixed.

Witness the Honourable John Beverley Robinson, Lieutenant-Governor of our Province of Ontario, at our Government House, in our city of Toronto, in our said Province, this third day of May, in the year of our Lord one thousand eight hundred and eighty-four, and in the forty-seventh year of our reign.

An Old Soldier's EXPERIENCE.

"Calvert, Texas, May 3, 1882.

"I wish to express my appreciation of the valuable qualities of

Ayer's Cherry Pectoral

as a cough remedy.

"While with Churchill's army, just before the battle of Vicksburg, I contracted a severe cold, which terminated in a dangerous cough. I found no relief till on our march we came to a country store, where, on asking for some remedy, I was urged to try AYER'S CHERRY PECTORAL.

"I did so, and was rapidly cured. Since then I have kept the PECTORAL constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung diseases.

J. W. WHITLEY."

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of AYER'S CHERRY PECTORAL. Being very palatable, the youngest children take it readily.
