

other Presbyteries whose names cannot be considered intelligently by the General Assembly, inasmuch as little is known as to their views regarding such appointments. . . . Whereas the resignation of Rev. Prof. Gregg is to be considered by the General Assembly, and should it be accepted in re-arrangement of the departments taught in the college may be considered desirable—which fact would have an important bearing on the selection of a professor or professors as might be deemed advisable. . . . Therefore the General Assembly is humbly overtured to remit the matter of an appointment to the Board, with instruction to reconsider all the circumstances of the case, to again ask Presbyteries for nominations, to make inquiries as to such men as Presbyteries may nominate, or others whose names may be presented, and to make a recommendation to the General Assembly at its next meeting."—R. C. TIBB, Clerk.

STRATFORD: This Presbytery met lately in Knox Church, Stratford. The Rev. E. W. Panton, Moderator, presided. There was a good attendance. The Rev. A. F. Tully, pastor of Knox Church, Mitchell, for the past fourteen years, tendered his resignation of that charge, which was duly accepted. Messrs. Gourlay, Murry, Stewart and Machan, representatives from the congregation, spoke in warm terms of the efficient services Mr. Tully had given in all departments of his work, and though regretting deeply his action, could not, under the circumstances, oppose his resignation. A resolution was passed by the Presbytery expressing the high esteem and confidence in which Mr. Tully has been held as member and clerk of the Presbytery and expressing sorrow in being compelled to sever the fraternal connections with him. The Rev. M. L. Leitch, of Stratford, was appointed Moderator of Session during the vacancy, and to declare the pulpit vacant on the first Sabbath of use. Rev. Mr. Tully will preach his farewell sermon on the last Sunday in May. The Rev. A. F. Tully also tendered his resignation of the clerkship of the Presbytery and his commission to the General Assembly. The Rev. T. A. Cogrove, St. Mary's, was appointed clerk pro tem, and Rev. M. L. Leitch, Stratford, commissioner. The report on Temperance, as given by the Rev. Mr. Ferguson, was received and adopted. The Rev. Dr. Stalker, of Glasgow, Scotland, was nominated for the position of professor of Knox College as successor to Professor Thompson, deceased. The Rev. Dr. Gregg, of Knox College, was nominated as Moderator of General Assembly.

QUEBEC: This Presbytery met in Sherbrooke on the 14th May. Rev. J. M. Whitelaw, Moderator. Nearly all the ministers were present. Arrangements were made for holding missionary meetings in all the fields. The clerk submitted the report on statistics. It was resolved to print these reports in future for distribution among the congregations. The Rev. Dr. Jas. Stalker, of Glasgow, was proposed for the professorship in Knox College. The calls from Scotland and Lingwick to Dr. MacKay and Rev. A. K. MacLennan respectively were declined and set aside accordingly. Dr. Kellock reported having attended the meeting of the Augmentation Committee, and that the grants had been paid in full except in one or two cases. Intimation having been received of the desire of Scotland and Lingwick to unite special meetings of Presbytery were appointed to be held at these places to consummate the union. It was resolved to apply to the General Assembly for leave to receive the Rev. Conway E. Dobbs, a Presbyter of the Reformed Episcopal Church, as a minister of the Presbyterian Church in Canada. A call from the congregation of Windsor Mills in favor of Rev. J. W. Penman, probationer, was sustained. Mr. Penman being present accepted the call. The induction was appointed for the 30th of May. J. R. MacLEOD, Clerk.

THIRTY YEARS OF TORTURE.

HANDS AND FINGERS TWISTED OUT OF SHAPE
WITH RHEUMATISM.

The Story of an Old Man Now Nearing the Foot of Life's Hill—How Relief Came to Him After Repeated Failures and Disappointments.

From the Kemptville Advance.

"I am now almost at the foot of the hill of life, having attained the 76th year of my age, and never during that time have I made a statement more willingly and conscientiously than now. My body has been tortured by pain for upwards of thirty years, caused by rheumatism, and there are thousands enduring a like affliction that need not if they would heed my experience and avail themselves of the proper means of relief. The disease first affected my hip and spread to my legs and arms. Like many sufferers I spared neither trouble or expense in seeking something to alleviate the pain. The disease had made me so helpless that I was unable to put on my coat and my hands and fingers were being twisted out of shape. There seemed not the shadow of a hope of relief and very naturally I became discouraged and disheartened, and time after time have I given up in despair. While in Arizona three years ago I heard of Dr. Williams' Pink Pills. I sent for six boxes in order to give them a fair trial. I followed the directions closely and by the time the fourth box was finished the pain had greatly lessened and I was much improved. My friends having witnessed the wonderful

effect upon my body could not help admiring

the Pink Pills, and being about to leave for the east, I gave the remaining two boxes to them. Unfortunately I neglected getting an other supply for nearly a year after returning to this part and I felt that to me Pink Pills were one of the necessities of life. Last spring I procured a few boxes and have been taking them since with a very satisfactory effect am glad to say. Now I feel like a new man, entirely free from pain or stiffness of joint. I have a slight numbness of feet and half way to the knee, but an confident that these pills will relieve this feeling. Although well advanced in years, I am able and do walk many miles a day. For rheumatism Dr. Williams' Pink Pills stand pre-eminently above, all other medicines, according to my experience, and I urge a trial on all suffering from this painful malady."

The above is an unvarnished statement of facts as told the Advance recently by Mr. George Sellick, an esteemed resident of Miller's Corners, and no one hearing the earnest manner of his recital could fail to be convinced of Mr. Sellick's sincerity. But if this were not enough hundreds of witnesses could be summoned, if need be, to prove the truth of every word stated. Mr. Angus Buchanan, the well-known druggist and popular reeve of Kemptville, speaks of Dr. Williams' Pink Pills as one of the most popular remedies known, having a great sale among his customers and giving general satisfaction.

Rheumatism, sciatica, neuralgia, partial paralysis, locomotor ataxia, nervous prostration and diseases depending on humours in the blood, such as scrofula, chronic erysipelas, etc., all disappear before a fair treatment with Dr. Williams' Pink Pills. They give a healthy glow to pale and sallow complexions, and build up and renew the entire system. Sold by all dealers or sent postpaid at 50c. a box or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady, N. Y. Don't be persuaded to take some substitute.
