

TIMBER LIMIT TRANSACTIONS.
 Scott Bros., of Fredericton, N.B., have just completed the purchase from Messrs. Eaton, of Calais, Me., of extensive timber lands on the upper waters of the St. John river. The lands comprise about 50,000 acres on the Wildcat and Black tributaries and contain a large quantity of spruce and other timber. It is their intention to log on the property this winter, cutting about 5,000,000 feet on the head waters and about 15,000,000 feet in their total operations. Their mill at Magaguadavic will be stocked from the limits lately acquired from Chipman & Murchie, of St. Stephen. Four portable lath mills will be erected on the lands near Deer Lake. The firm have about 500,000 feet of logs at Springhill, which will probably be sold.

The McMahon Moulding Company, manufacturers of moulding, Toronto, have sold out to E. F. R. Zollner.

RECORD CAR-LOAD OF B.C. SHINGLES.
 So far as we can learn, the "king" car of British Columbia shingles was received by Butler Bros., of Woodstock, Ont., from the Robert McNair Shingle Manufacturing Company, of Vancouver, in July. The car contained 358,000 shingles and the freight was \$399. This, evidently, beats all previous records.

The sash and door factory of H. Chagnon & Company, Montreal, was damaged by fire recently.
