CHARITABLE INSTITUTIONS IN BERLIN.

One of the most interesting institutions of Berlin, is that for the instruction of the deaf and dumb, at which the new method is pursued of teaching them articulation. The success with which it is attended is certainly very astonishing, and, to an inexperienced observer like myself, quite satisfactory. The pupils converse with the instructors and with each other, so as to be intelligible to an ear as little practised as mine in the German language. The older ones can also read aloud
