

Central Business College

TORONTO, offers splendid advantages for young men and women to secure a practical Business education.

Scores of young men save \$150 and spend it in education as a foundation for future success, and an opening to something better than hard plodding manual labor.

Many young women spend a few months in training for a suitable position which brings independence, comfort and blessing.

Young People are invited to think over the things said to write this excellent advertisement to the Central Business College, Address:
