

On the March!

Our army of travellers go into active service again in the course of a week or two, for about the first of July they will be on the march—East, West, North and South, on a friendly invasion, with our new line for 1901.

offers attractions that are pleasing to your customers and profitable to you.

The new season's line has many striking and original features. Every pattern is a good one, and will help to fully maintain the high reputation the house enjoys for making and selling popular, quick-selling lines and that assure you substantial profit.

Be on the lookout for one of our men—wait until he gets to you before you place your order.
