ST. JOHN BUSINESS COLLEGE AND SHORTHAND INSTITUTE.

"There is no royal road to learning."

Real skill in accounts can only be got by honest, hard work.

Any system of training which enables either teacher or students to shirk honest work is a fraud, and can only end in dismal failure for both.

Here we have honest work, and "plenty of it," and corresponding success.

VITÆ-ORE

A Puzzle to the Scientist!

An Enigma to the Medical Student!

A Boon to the Afflicted!

It has been the desideratum of scientists for ages where to procure the mineral ore from whence flow the waters of the world's most noted healing springs, and in the discovery of this ore the problem has been solved. In the deep, from whence it comes, it is a hard, black, and very magnetic mineral; when exposed to the air it slacks, and twenty per cent of it is then soluble in water, making an elixir, which, for the cure of so-called incurable ills, as Bright's disease, all kidney and urinary complaints, general debility, loss of vitality, female complaints, as also all throat and stomach complaints, as diphtheria, tonsillitis, gastritis, catarrh, dyspepsia, nothing man can possibly make equals. Nature cannot be counterfeited in a cure for any membranous diseases, This Ore's elixir will reach the nidus of your ill, as only nature's great restoratives will.

Below we give a few of the many letters we receive every week from grateful people who have taken V.-O. Remember, Vitæ Ore is now an established remedy, and is without doubt a "boon to the afflicted." Do not wait until you see that your next door neighbor does not die from its use, but read our offer before and know for yourself what is in store for the afflicted.

Elder H. E. Cooke writes:

This is to certify that I have used Vitæ Ore, and consider it one of the best remedies ever introduced to the public for the renovation of the blood. And as an appetizer, its equals are few. I can cheerfully recommend it to any one afflicted.
H. E. COOKE, Westport, N. B.

Elder John Cook writes:

January 18, 1895.

Bro. WALLACE,—

Inclosed find two dollars, please send me two more packages of Vitæ Ore. That one package you sent me did me more good than anything I ever took. I can now eat a meal without distress, which I have not been able to do before for twenty years. Mrs. Craig says she feels better already, and has only been taking it a few days.

JOHN COOK,
St. George, Back Bay, N. B.

Sister Bailey testifies:

January 15, 1895.

This is to certify that I have taken Vitæ Ore and can cheerfully recommend it to the suffering public. I was a sufferer for a long time from that dread disease Exzema. I tried various remedies, but failed to get relief. At last I was prevailed upon to try V. O., and in three weeks from the time I took the first dose, I was able to attend to my household duties and walk most anywhere. The swelling from my knees to my feet was something unusual, but the swelling disappeared after a short time, and am thankful to say that I feel completely cured, and I consider it one of the best remedies and the greatest blessing of the nineteenth century in the form of medicine.

Westport, Digby Co.

In order to introduce Vitæ Ore, and also assist in a grand work, we are making the following offer: We will give one-half of the commission to Home Missions on all orders sent by the readers of this paper. Mention THE CHRISTIAN when writing.
