

“THANKSGIVING.”

FEBRUARY 27th, 1872.

[From "Punch."]

THIS CELEBRATED CONDIMENT is composed of health-giving seeds, herbs and roots. Its great success and unlimited demand has proved its efficacy. By using it 20 per cent. is saved in the cost of feeding, and the Cattle are in better condition.

It converts coarse grain and chopped hay into rich aromatic provender. It costs only one cent per feed. It is used in the Royal Stables and Model farms. All the principal Prize Cattle at the Agricultural Hall, Islington, London, 1868, '69, and '70, were fed on the NUTRITIOUS CONDIMENT. Several Testimonials have been received from some of the most valuable horse owners in Montreal, and may be had on application. Manufactured by the North British Cattle Food Co., at London and Glasgow. Branch Depot in Montreal at 61, Commissioners Street; Toronto, 6, Palace Street and 2 St. Peter Street, Quebec. From either of these Depots, 20 feeds as sample will be sent, carriage paid, to any part of Canada for \$3.00.

DR. WHEELER'S COMPOUND ELIXIR OF PHOSPHATES AND CALISAYA.

THERE is no diseased condition of the body in which Dr. Wheeler's Compound Elixir of Phosphates and Calisaya may not be used with positive benefit. Being a Chemical Food and Nutritive Tonic, it acts physiologically in the same manner as our diet. It perfects Digestion, Assimilation, and the formation of Healthy Blood. It sustains the vital forces by supplying the waste constantly going on of nerve and muscle, as the result of mental and physical exertion, enabling mind and body to undergo great labour without fatigue. Its action in building up constitutions broken down with Wasting Chronic Diseases, by fast living and bad habits, is truly extraordinary, its effect being immediate in energizing all the organs of the body. Phosphates being absolutely essential to cell formation and the growth of tissues, must for all time be Nature's great restorative and vitalizer.

Sold by all Druggists at \$1.
