

THE RAILWAYS AND MUSIC.

Railways develop the resources of a great country and educate the people, so if we would keep pace with the age; we must have Railways. The very conservative claim that the debt committed to our posterity will be too great. Give us Railways and let posterity look out for themselves. But you say what has this to do with music? Why Music develops the intellect, refines and elevates society, and binds closer the family ties, and is indispensable,

Liberal and Conservative.

We find one has the GRIT to seize a good bargain and the other is No Tory ous for the same thing: Whether it be a Railway or a Piano. Therefore all classes come to us for bargains in PIANOS and organs where they are assured of the maximum in quality and the minimum in price.

FOR SALE BY ALL DRUGGISTS AND

SUFFERERS WITH SORE EYES!

READ THIS:

C. GATES, SON & CO.

Gentlemen this is to certify that four years ago I purchased from your travelling agent a bottle of your valuable EYE RELIEF, on account of suffering with weak and sore eyes and by using it as directed in less than one week I found my eye quite strong and suffered no more pains as before, with them. A man came into my store unable to work, having had his eye struck with a piece of coal, while cutting it with a pick in the pit. I told him I had some of GATES' EYE RELIEF, that had cured mine, and that I would let him try it, which he did, and in the three days brought the phial back with his eye quite well. I have also given others a trial of it with the same magic effects. I have been thinking for the last six months how I could get another bottle not knowing it was in the place. Dear Sirs, you can make use of this as you think proper.

Yours truly,

DONALD McINNIS.
