

WITH A BOTTLE

Of Ayer's Cherry Pectoral at hand, one may feel comparatively secure against the various diseases arising from sudden changes of temperature, exposure to drafts and storms, and the inclemencies of spring and fall. "Of the many preparations before the public for the cure of Colds, Coughs, Bronchitis, and kindred diseases, there are none, within the range of my experience and observation, so

RELIABLE

as Ayer's Cherry Pectoral," writes Thos. G. Edwards, M. D., of Blanco, Texas.

George W. Dick, of Newton, Mass., says: "Two years ago I took a severe cold, which, being neglected, was followed by a terrible cough. I lost flesh rapidly, had night sweats, and was confined to my bed. A friend advised the use of Ayer's Cherry Pectoral. I began to take this medicine, and, before finishing the first bottle, was able to sit up. Four bottles effected a perfect cure."

THE HIGH SCHOOL

Drawing Course.

Authorized by the Minister of Education.

The course is now complete:—

- No. 1—Freehand.
- No. 2—Practical Geometry
- No. 3—Linear Perspective.
- No. 4—Object Drawing.
- No. 5—Industrial Design.

These books are all uniform in size and style, and constitute a complete uniform series. The same plan is followed through them all—the Text, the Problems, and opposite the Problems, in each case, the Exercises based upon them. The illustration is upon the same page with its own matter, and with the exercise, in every case, is a space for the student's work. Each copy, therefore, is a complete Text-book on its subject, and a Drawing Book as well, the paper on which the books are printed being first-class drawing paper. The student using these books, therefore, is not obliged to purchase and take care of a drawing book also. Moreover, Nos. 1, 4 and 5 are the only books on their subjects authorized by the Department. Therefore, if the student buys the full series, he will have a uniform, and not a mixed series covering the whole subjects of the examinations, and edited by Mr. Arthur J. Reading, one of the best authorities in these subjects in this country, and recently Master in the School of Art.
