

DR. M'LANE'S Celebrated American WORM SPECIFIC, OR VERMIFUGE.

SYMPTOMS OF WORMS. THE countenance is pale and leaden-colored, with occasional flushes, or a circumscribed spot on one or both cheeks; the eyes become dull, the pupils dilated; an arc semicircle runs along the lower eyelid; the nose is irritated, swells, and sometimes bleeds; a swelling of the upper lip; occasional headache, with humming or throbbing of the ears; an unusual secretion of saliva; slimy or furred tongue; the breath very foul, particularly in the morning; appetite variable, sometimes voracious, with a gnawing sensation of the stomach, at others, entirely gone; fleeting pains in the stomach; occasional nausea and vomiting; violent pains throughout the abdomen; bowels irregular, at times costive; stools slimy; not unfrequently tinged with red; belly swollen and hard; urine turbid; respiration occasionally difficult, and accompanied by hicough; cough sometimes dry and convulsive; uneasy and disturbed sleep, with grinding of the teeth; temper variable, but generally irritable, &c.

DR. M'LANE'S VERMIFUGE Will certainly effect a cure. The universal success which has attended the administration of this preparation has been such as to warrant us in pledging ourselves to the public to RETURN THE MONEY in every instance where it should prove ineffectual: "providing the symptoms attending the sickness of the child or adult should warrant the supposition of worms being the cause." In all cases the Medicine to be given IN STRICT ACCORDANCE WITH THE DIRECTIONS. Address all orders to WELLS, BROOKS & CO., PITTSBURGH, PA.

DR. M'LANE'S VERMIFUGE DOES NOT CONTAIN MERCURY in any form; and that it is an innocent preparation, not capable of doing the slightest injury to the most tender infant.

Ayer's Hair Vigor, For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effective for preserving the hair. Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

DE LA SALLE INSTITUTE, Nos. 18, 20 & 22 Duke Street, Toronto, Ont.

DIRECTED BY THE CHRISTIAN BROTHERS. This thoroughly Commercial Establishment is under the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City. Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been entering in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with. The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-devised play grounds and the ever-reversing breezes from great Ontario all concur in making "De La Salle Institute" whatever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care.

The system of government is mild and paternal yet firm in enforcing the observance of established discipline. No student will be retained whose manners and morals are not satisfactory: students of all denominations are admitted.

The Academic Year commences on the first Monday in September, and ends in the beginning of July.

COURSE OF STUDIES. The Course of Studies in the Institute is divided into two departments—Primary and Commercial.

PRIMARY DEPARTMENT. SECOND CLASS. Religious Instruction, Spelling, Reading, First Notions of Arithmetic and Geography, Object Lessons, Principles of Politeness, Vocal Music. FIRST CLASS. FITS! FITS! FITS!

CURE OF EPILEPSY; OR FALLING FITS. BY HANCO'S EPILEPTIC PILLS. Persons laboring under this distressing malady, will find Hanco's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits. The following certificates should be read by all the afflicted; they are in every respect true, and should they be read by any one who is not afflicted himself, it will be a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him.

A MOST REMARKABLE CURE. PHILADELPHIA, June 25th, 1875. DEAR SIR: I beg to inform you that I have been cured of my Epilepsy by your Epileptic Pills. I was afflicted with this disease for many years, and had tried every other remedy without success. I was generally attacked without any preliminary symptoms, and would fall down and lose consciousness for several minutes. I was once attacked in the middle of a street, and was carried home by my friends. I was so much afflicted that I lost all confidence in myself. I also was afflicted in my business, and I consider that your Epileptic Pills cured me. In February, 1875, I ordered your Epileptic Pills, and only had two attacks afterwards. The last one was April 18th, 1875, and they were of a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of this distressing affliction. I think that your Pills and their good effects should be made known to every one who is afflicted with this disease. Any person wishing further information can obtain it by calling at my residence, No. 328 North Third St., Philadelphia, Pa. W. P. LIGORI.

IS THERE A CURE FOR EPILEPSY? The enclosed will answer. GRENADA, Miss., June 30th—DEAR SIR: I beg to inform you that I have been cured of my Epilepsy by your Epileptic Pills.
