FATAL ACCIDENT.—Brakeman Horners, on the special freight train from St. Johns, while attempting to jump on the train while in motion, leaving St. Lambert's station, fell between the cars and received serious injuries, from the effects of which he shortly afterwards expired.

BODIES RECOVERED.—The bodies of the two lads, Martin, who were drowned some days ago while in a scow with three other boys, were recovered this morning and such was the state of decomposition that an inquest was held at once and they were interred immediately afterwards. The jurors returned a verdict of "accidental death by drowning."

CANADIAN DESPATCHES

Special to THE POST. Toronto, August 6.—The Mail, in an obituary of Dr. Conroy, says he was one of the most intellectual and ablest of the younger branch of the Irish Catholic hierarchy. The Globe also speaks highly of the deceased prelate.

Father McCann was last night presented with an address, executed in lithographic style, by the Nuns of Loretto Abbey, and a well-to-do nurse, prior to his departure for Ireland for the benefit of his health. The Reverend Father, in accepting the testimonials, spoke feelingly. He leaves this afternoon at 2 o'clock.

Toronto, August 7.—The Irish Canadian says of Galley, Reform nominee for East Toronto, that he has always been consistent, except when he worked and voted against John O'Donohoe! Referring to Reformers who contributed to the establishment of the Tribune, the Irish Canadian calls them "sleeping partners" of McCrosson's, and styles some of them as follows:—Alex. Mackenzie, cold-water-stretch Baptist; Covenanters Crooks; Parson Palmer Pardee; Heavenly Hardy; Piety Paxton; Long-Eared Hallelujah Hall, and Hot-Gospeller Hay.

The sixth annual convention of the Irish Catholic Benevolent Union was opened here yesterday, presided over by J. L. Troy. Delegates from Peterboro, London, St. Thomas, Kingston, Oshawa, Barrie, Guelph, Belleville, and many other towns and villages were in attendance. Glynn, of Toronto, read the address of welcome to delegates, after which the President read his annual address. Several reports were read and referred to the special committees, when the convention adjourned until to-day. Several delegates from unrepresented branches are expected to-day.

The Separate School Board adopted a resolution of regret at the death of Dr. Conroy, after which it adjourned out of respect for the memory of the deceased prelate.

ST. PATRICK'S HALL.—A meeting of the St. Patrick's Literary Association of Ottawa was held last night in the above hall, and was largely attended. The President, Mr. W. H. Waller, occupied the chair, and the following resolutions were carried:—Moved by Mr. W. Findley, seconded by Mr. Wm. White, that some days ago this Association heard with anxiety of the serious illness of the Apostolic Delegate, Mgr. Conroy, Lord Bishop of Aradagh and Clomacnoise, and it now learns with profound regret of his unexpected death after so brief a sojourn amongst us, and while in the active discharge of a great Catholic and Christian mission, in the prosecution of which he had been greatly successful, and had acquired the confidence, respect and love of all who knew him.

Hamilton, August 8.—Yesterday being the occasion of the O'Connell anniversary celebration by the Emerald Beneficial Association of this city in conjunction with their brethren from Toronto, it was taken advantage of by those blatant friends of "civil and religious liberty" to give the citizens of Hamilton a slight specimen of the sport which amused their forefathers during the ascendancy period in Ireland. The

band had been practicing the greater part of the afternoon in their hall, presumably for the purpose of congregating "the faithful," and having succeeded in gathering a sufficient quantity of the rowdy element, sallied forth in time to greet the E. B. A. on their return from seeing the visitors embark for home. The "Dashi-Bazouks," to the number of some five or six hundred, completely encircled the procession, and rent the air with discordant yells and cries of, "to hell with the old Pope," "to hell with the Papists," &c., &c.

The processionists quietly dispersed, and the mob falling to provoke any of them to combat and apparently disgusted with the peaceful aspect of affairs, proceeded to the residence of Mr. Brick, the windows of which they speedily demolished.

The St. Mary's Catholic school house was made their next point of attack, and after that exhibition of vandalism they seranaded the Bishop's Palace, Convent and several private residences with childish crochets and party cries, that would have done credit to graduates from hell's own pandemonium.

The city press has cleverly removed the responsibility from the shoulders of the Orange Order, but it was patent to any unprejudiced observer that it was a preconcerted arrangement, deliberately planned and carried out by the denizens of the Lodge room.

Toronto, August 10.—The Orangemen intend entertaining David Grant and other brethren from Montreal at a supper, on Tuesday evening.

The Mail, to-day, says that the general elections will reverse the state of parties in the Dominion. This opinion is based on the testimony of experienced politicians, as well as personal observations.

The Ottawa Free Press says Dr. Brouse will, on the dissolution of Parliament, replace the late Hon. R. Matheson in the Senate. Mr. Allan Gilmour is also spoken of as a new Senator.

The immediate cause of Bishop Conroy's death was heart disease. His Excellency took ill on Sunday night, July 7th, of inflammation of the kidneys and a sore chest. During the following week the latter developed into congestion of the lungs. For several days previous to his death he was steadily gaining strength, and his medical attendants, Drs. Shea and Crowley, considered his convalescence so marked that a speedy restoration of health was looked on as certain. It is believed that heart disease supervened and was the immediate cause of his death. Long continued over-exertion, mental and bodily, caused the constitutional prostration. He died at 6:45 o'clock, on Sunday afternoon, August 4th.

USEFUL DOMESTIC RECIPES

CHEAP FRENCH-CAKE.—One cup sugar, one half cup butter, one-third cup milk, three eggs, one and a half cups flour, one teaspoonful baking powder.

GOOD BISCUIT is made with one quart of flour, one tablespoonful of baking powder, but the size of a walnut; use water, don't mix stiff, bake quick.

PON GEMS, take 2 tablespoonfuls of sugar 2 eggs, 2 cupfuls of flour, 1 heaping tablespoonful of Indian meal, 1 cupful of sweet milk, 2 tablespoonfuls of baking powder, and a little salt. Bake 15 minutes.

LEMON JEMMES.—One egg, one cup of sugar, one-half cup of butter, three teaspoonfuls of milk, one-half teaspoonful of soda, and one of cream of tartar, the juice of two small lemons, and the grated rind of one; mix stiff.

FOR WHITE FRUIT CAKE, take white sugar, 8 cupfuls of flour, 4 cupful of butter, 3 cupful of sweet milk, 4 cupfuls of currants, 1 cupful of raisins, the whites of 6 eggs, 1 teaspoonful of cream tartar, 3 teaspoonful of soda, and 1 nutmeg. This makes two loaves.

RICE WAFFLE S.—To one cupful and a half of boiled rice add two cupfuls of flour, 1 egg, 1 cupful of milk. The latter must be rather thicker than pancake batter. Add a little salt, then beat two eggs very light, and stir them in the last thing, giving it a good beating. Bake in waffle-irons.

FRENCH LETTUCE.—Chop lettuce very fine, and if liked, the tops of two or three young onions. Add two well-beaten eggs and a little salt; put a piece of butter the size of an egg into a frying pan, and when melted pour in the mixture. Turn when of a light brown, and serve with or without vinegar.

CHOCOLATE CAKE.—Take 1 cupful of butter, 2 cupfuls of sugar, 1 cupful of sweet milk, 4 eggs, 4 cupfuls of flour, 3 teaspoonfuls of baking powder. Bake in pie tins (if you have no jelly cake tins) in thin layers, as they will puff up if properly made. The mixture is made by taking 3/4 of a cake of Baker's chocolate dissolved in 8 tablespoonfuls of sweet milk boiled, 1 beaten egg, and 1 cupful of sugar. Flavor with vanilla. A CAREFULLY selected and interesting story from the pen of the most BRILLIANT and MORAL authors will be found in each succeeding number.
