

THE EYES of the whole world are on CENTRAL BRITISH COLUMBIA, without doubt the richest undeveloped country on the continent. No man can estimate the value of its resources in farm lands, timber and mines. Projected railway development already under way calls for an expenditure of at least one hundred million dollars in the next few years, and it is safe to say that an additional hundred million will be expended in developing other enterprises. The surest way to share in this great distribution of wealth is to own a good farm along the line of the GRAND TRUNK PACIFIC RAILWAY. Write for full particulars to

Peace River Farm Lands

The Peace River District of Western Canada now holds the attention of the whole world. This district at no distant date will be the home of a million prosperous farmers.

IT IS THE GREATEST AND BEST FARM LAND IN CANADA.

It is the closest farm land to terminal elevator accommodation, thus having the shortest haul for its grain.

We have for sale the only land that can be purchased in the Peace River District.

It is situated on the boundary line between Alberta and British Columbia and immediately south of the Dominion Government homestead reserve. It adjoins the well-known Grande Prairie District, where hundreds of farmers are now pouring in.

This land in a couple of years will be worth \$25 or more per acre.

YOU want this land. This price will not appear again. When this land is gone there is no more.
