**(b) Rail**

The transcontinental railways have customer service centres across Canada, and the nearest office should be contacted for information on services and rates to Mexico. Representatives for the regional railways can respond to local exporter inquiries. Central telephone numbers for the two largest Canadian railroads, as well as those U.S. railroads having sales representation in Canada are as follows:

**CN NORTH AMERICA**

Montreal, Quebec  
Tel: (514) 399-6835  
Fax: (514) 399-8459
