

II

*The Secretary of State for the United States of America
to the Ambassador of Canada*

Washington, April 10, 1978

Excellency:

I have the honor to refer to your note of March 31, 1978 regarding a program for co-operation in the development of space remote sensing for global crop information.

The program outlined in the Memorandum of Understanding for Co-operation in the Development of Space Remote Sensing for Global Crop Information between the Department of Agriculture of Canada and the Department of Agriculture of the United States of America with the participation of the Department of Energy, Mines and Resources of Canada, the National Aeronautics and Space Administration of the United States and the National Oceanic and Atmospheric Administration of the United States signed on March 14, 1978 meets with the approval of my Government and my Government concurs in your proposal that your note and this reply together with the attached Memorandum of Understanding shall constitute an agreement between our two Governments for co-operation in the development of space remote sensing for global crop information, to be effective on the date of this reply for a period of three years unless terminated earlier by either Government upon six months written notice, or extended by mutual agreement of the two Governments.

Accept, Excellency, the renewed assurances of my highest consideration.

For the Secretary of State:
R C. BREWSTER

His Excellency
Peter M. Towe,
Ambassador of Canada
