

3. The Joint Sectoral Group shall:

- (a) be responsible for administering and facilitating the effective functioning of this Agreement including:
 - (i) developing, managing and assessing the Confidence Building Exercise;
 - (ii) resolving any questions or differences relating to the interpretation, operation or application of this Agreement;
 - (iii) developing and managing the Joint Sectoral Group Maintenance Program;
 - (iv) specifying all applicable Mandatory GMP Requirements in the Joint Sectoral Group's Maintenance Program;
 - (v) consideration of proposed amendments to this Agreement; and
 - (vi) the discharging of such other functions as provided for in this Agreement.
- (b) be the primary contact point for the Parties;
- (c) determine its own rules of procedure;
- (d) make its decisions and adopt its recommendations by consensus; and
- (e) meet as and when required for the discharge of its functions, including upon the request of either Party.

4. The Joint Sectoral Group may establish ad hoc groups to undertake specific tasks, where necessary.

5. The Parties shall bring into effect the relevant decisions of the Joint Sectoral Group.
