PETERBOROUGH — Mountain Stage West Bantams left here Sunday carrying bronze medals and a lifetime of memories from Mountain coach Bob Williams said Monday he was extremely proud to come home with a medal to go along with the excitement of being involved in the games.

Williams said three games in Saturday's sweltering heat was just too much for his squad.

Williams said it was especially thrilling to participate in the opening ceremonies and to see the players dressed up in their jackets in the parade of athletes.

"We were the best-dressed team there," boasted Williams, thanking the sponsors who helped to make his team look that way.

"I can only hope that we get the chance to participate in an event like this again but if we don't we still have the memory of this one."

A special ceremony honoring the team was held at the Mountain Park Tuesday evening.
