GRADUATES' SOCIETY OF  
McGill University

MCGILL UNIVERSITY  
March 10th, 1921.

To Graduates and past Students of McGill:

The McGill Reunion Committee presents for your information the following facts regarding the Centenary Reunion:

### DATE

1921—October 12th, 13th, 14th and 15th.\* These are the dates decided on for the McGill Centenary Reunion, shortly after the opening of the fall session and during the football season.

### ATTENDANCE

From reports received to date from the various district secretaries, an attendance of about four thousand old McGill students is expected at this—the first general Reunion. As the total number of living graduates is about six thousand, everyone will meet many class-mates.

### TRANSPORTATION

The committee in charge of transportation has arranged with the Association of Railway Passenger Agents to secure special rates, and it is therefore essential that you inform the secretary of your district and the general secretary whether you hope to be present. When the number from any district is known, arrangements will be made for special trains or cars from various central points.

### HOUSING

The housing committee has already engaged a large amount of accommodation in hotels, and in addition many will be accommodated in the homes of local McGill men. In answering, advise whether you expect to visit friends or wish rooms allotted you.

### PROGRAMME

A general programme only has been decided on as yet, but a detailed list of events will include the following:

- Reception on the Campus
- Convocation
- Annual McGill-Toronto football game at the new Molson Stadium
- Annual University track and field sports
- Faculty and class dinners and lunches
- A University dance
- Special features are also being arranged by the different faculties in the way of technical and social meetings

Altogether the programme committee promises a very interesting four days.
